Rebellious Love:

Ruhaniyat Swati Masurkar,2018-02-20 Ruhaniyat Swati s debut collection of poems is an attempt to reach out to readers across the world This contemporary approach to writing is straight from the heart and aims at freeing the soul for the journey ahead It is a tribute to all those who consider their life as a blessing from the Almighty and who look within and not outward for answers whenever they are faced with challenges It is a caravan that embraces every traveler and ensures they reach their destination whilst enjoying their journey The Dream Team Ronald Wilson,2012-10-01 Do you have a dream in

you that challenges you on a daily basis to be birthed Well you will be very surprised to see whom God will choose to help press that dream into manifestation This writing is dedicated to every believer as a tool to help affirm the God inspired dream you feel within the heart of your spirit Its purpose is to bring you into a broader perspective of the people God allows to accompany you on your journey of life while pursuing your purpose It will quickly become frustrating if we have and keep a narrow perspective concerning whom God has designed to help us reach our dreams in life We dedicate this writing to the leader as well as the dream God has planted in your heart Sometimes we are capable of questioning the fact of the cause of people flowing in and out of our lives God is a strategist and he will never make a mistake There is none good but God We cannot separate good from God so we must trust that whatever he permits in our lives it has to be for our good There is a purpose of the current flow of people in your life today Upon reading we pray the material shared will help broaden your perspective and purpose of life

Rebellious Feminism E. Bartlett,2004-01-16 In what might seem an unusual pairing Barlett brings together the insights of Albert Camus and feminist thought and in doing so sheds new light on both Looking through a Camusian lens Bartlett reveals a rebellious feminism that simultaneously refuses oppression and affirms human dignity in solidarity with concrete diverse others and the earth giving us new insights into this life affirming ethic Alexandra Carolly Erickson,2024-07-02

Alexandra's story is heartbreaking and this New York Times bestselling author excels in the details in this biography of the last Russian Empress. Chicago Tribune Taking advantage of material unavailable until the fall of the Soviet Union, Erickson portrays Alexandra's story as a closely observed, enthrallingly documented progressive psychological retreat from reality. The lives of the Romanovs were full of color and drama, but the personal life of Alexandra has remained enigmatic. Under Erickson's masterful scrutiny, the full dimensions of the Empress's singular psychology are revealed: her childhood bereavement, her long struggle to attain her romantic goal of marriage to Nicholas, the anguish of her pathological shyness, her struggles with her in-laws, her false pregnancy, her increasing eccentricities, and loss of self as she became more preoccupied with matters of faith and her increasing dependence on a series of occult mentors, the most notorious of whom was Rasputin. With meticulous care, long practiced skill, and generous imagination, Erickson crafts a character who lives and breathes. Entertaining. One of the book's strengths is its emphasis on the private life of the court. Publishers Weekly. Carrolly Erickson is one of the most accomplished and successful historical biographers writing in English. London Times Literary Supplement

Rebellious Love B. J. Woods, 2013-05 Lavender Li, a teenage girl who died 30 years ago because of her star-crossed love with Britt Lynn, and the rebellious gene in her blood, comes back to the world through reincarnation, carrying a mission to save 100 lives in a week. Lavender goes to seek Britt's help and feels moved when she discovers Britt is faithful to their true love and stays unmarried. 30 years ago, their love was not accepted by Lavender's father. Now, their love encounters a new problem: their age difference is unacceptable by the society. Will their true love be blessed? Or is it cursed again? When carrying out the mission, Britt and Lavender have to fight against the natural and man-made calamities; they also find rebellions in all walks of life, and true loves are fundamentally the same regardless of race, religion, or age. Though written with all the uncontrollable hilarity and wit, *Rebellious Love* is also a deeply touching love story. Rebellion never changes, so does true love. A Rebel's Manifesto Sean McDowell, 2022 Sean has a gift for taking tough concepts and bringing them down to earth in practical ways that make a difference. William Lane Craig, Ph.D. Following Jesus has never been harder. In a culture that glamorizes sex, chases fame, and shames those who don't fall in line, it takes a rebel to be a Christian. In this book, Sean McDowell aims to encourage and inspire a generation of rebels who will dare to stand up to the madness in a just and loving manner. *A Rebel's Manifesto* offers clear guidance to help people navigate the many moral issues that plague this generation. Students today are oriented toward action on ethical issues, and Sean will not only help them think biblically about various ethical issues, but he will also offer practical steps to make a positive difference in this world. In this book, Sean covers navigating bullying and social media, handling loneliness, pornography, and sex, approaching various conversations around climate change, race, and other controversial issues, and articulating and defending biblical views at school, online, and with friends. Life doesn't need to devolve into an online shouting match. Sean proposes a better way to live: a life calmly and confidently grounded in biblical truth.

Love in Contemporary British Drama Korbinian Stöckl, 2021-01-18 Despite the

recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned
