Rebirth Of A Realist:

The First Great Political Realist Roger Boesche, 2003-01-01 The First Great Political Realist is a succinct and penetrating analysis of one of the ancient world's foremost political realists Kautilya Kautilya's treatise Arthashastra stands as one of the great political books of the ancient world its ideas on the science of politics strikingly similar to those of Thucydides Machiavelli Hobbes Clausewitz and even Sun Tsu Roger Boesche's excellent commentary on Kautilya's voluminous text draws out the essential realist arguments for modern political analysis and demonstrates the continued relevance of Kautilya's work to modern Indian strategic thinking and our understanding of the relationship between politics and economics Striking a balance between textual analysis and secondary scholarship Boesche's work will be an enduring contribution to the study of ancient Indian history Eastern political thought and international relations Rebirth and the Stream of Life Mikel Burley, 2016-01-28 A philosophical exploration of the meaning diversity and ethical and religious significance of beliefs in reincarnation or rebirth The History of Chinese Tomb Murals Xiaoyang Wang, 2025-10-25 As one of the few monographs available on the history of Chinese tomb murals this book offers a comprehensive study Theoretically the authors put forward rebirth belief and state explicitly that Chinese tomb murals gain their theoretical support from rebirth belief which belongs to the Confucianism system In terms of historical resources they compile the first chronology of Chinese tomb murals including stone and brick reliefs offer an area index for tomb murals and conduct in depth and systematic discussions on Chinese tomb murals Furthermore Chinese tomb murals are studied from an aesthetic perspective to highlight the unique value of Chinese tomb art for both Eastern and Western art history The rich archaeological materials covered here are carefully scrutinized the arguments eloquently presented and the style used makes for accessible and enjoyable reading *Political Realism in Apocalyptic Times* Alison McQueen, 2018 From climate change to nuclear war to the rise of demagogic populists our world is shaped by doomsday expectations In this path breaking book Alison McQueen shows why three of history's greatest political realists feared apocalyptic politics Niccol Machiavelli in the midst of Italy's vicious power struggles Thomas Hobbes during England's bloody civil war and Hans Morgenthau at the dawn of the thermonuclear age all saw the temptation to prophesy the end of days Each engaged in subtle and surprising strategies to oppose apocalypticism from using its own rhetoric to neutralize its worst effects to insisting on a clear eyed tragic acceptance of the human condition Scholarly yet accessible this book is at once an ambitious contribution to the history of political thought and a work that speaks to our times **Realism** Arthur McDowall, 1918 Christian Fiction and Religious Realism in the Novels of Dostoevsky Wil van den Bercken, 2011-01-01 This study offers a literary analysis and theological evaluation of the Christian themes in the five great novels of Dostoevsky Crime and Punishment The Idiot The Adolescent The Devils and The Brothers Karamazov Dostoevsky's ambiguous treatment of religious issues in his literary works strongly differs from the slavophile Orthodoxy of his journalistic writings In the novels Dostoevsky deals with Christian basic values which are presented via a

unique tension between the fictionality of the Christian characters and the readers experience of the existential reality of their religious problems

A History of Buddhist Philosophy David J. Kalupahana, 1992-03-01 David J Kalupahana s Buddhist Philosophy A Historical Analysis has since its original publication in 1976 offered an unequalled introduction to the philosophical principles and historical development of Buddhism Now representing the culmination of Dr Kalupahana s thirty years of scholarly research and reflection A History of Buddhist Philosophy builds upon and surpasses that earlier work providing a completely reconstructed detailed analysis of both early and later Buddhism

Consumer Culture Reborn Martyn J. Lee, 2003-09-02 Consumer Culture Reborn focuses on consumption as the point at which economy and culture combine The book draws the often polarised discourses of political economy and cultural studies closer together in a historical context as a means of understanding our social situations as we approach the end of the millenium Taking as its central theme the ability of the capitalist mode of production to transform the material and social world which sustains it the book focuses on some of the ways in which this transformational impulse has altered the means by which ordinary people reproduce their life and their patterns of life Neither a history book nor simply a book of theory Consumer Culture Reborn fuses elements of economic social and cultural theory in an historical perspective

Corruption and Realism in Late Socialist China Jeffrey Kinkley, 2006-10-26 As China s centrally planned economy and welfare state have given way to a more loosely controlled version of late socialism public concern about economic reform s downside has found expression in epic novels about official corruption and its effects While the media shied away from dealing with these issues novelists stepped in to fill the void Anti corruption fiction exploded onto the marketplace and into public consciousness spawning popular films and television series until a clampdown after 2002 that ended China s first substantial realist fiction since the 1989 Beijing massacre With frankness and imagination seldom allowed journalists novelists have depicted the death of China s rust belt industries the gap between rich and poor social unrest i e riots and the questionable new practices of entrenched communist party rulers Corruption and Realism examines this rebirth of the Chinese political novel and its media adaptations explaining how the works reflect contemporary Chinese life and how they embody Chinese traditions of social criticism literary realism and contemplation of taboo subjects This is the first book to investigate such novels and includes excerpts from personal interviews with China s three most famous anticorruption novelists

Realist Ecstasy Lindsay V. Reckson, 2020-01-28 Honorable Mention Barnard Hewitt Award from the American Society for Theater Research Explores the intersection and history of American literary realism and the performance of spiritual and racial embodiment Recovering a series of ecstatic performances in late nineteenth and early twentieth century American realism Realist Ecstasy travels from camp meetings to Native American ghost dances to storefront church revivals to explore realism s relationship to spiritual experience In her approach to realism as both an unruly archive of performance and a wide ranging repertoire of media practices including literature photography audio recording and early film Lindsay V Reckson argues that the real was repetitively enacted and

reenacted through bodily practice *Realist Ecstasy* demonstrates how the realist imagining of possessed bodies helped construct and naturalize racial difference while excavating the complex shifting and dynamic possibilities embedded in ecstatic performance its production of new and immanent forms of being beside Across her readings of Stephen Crane James Weldon Johnson and Nella Larsen among others Reckson triangulates secularism realism and racial formation in the post Reconstruction moment *Realist Ecstasy* shows how post Reconstruction realist texts mobilized gestures especially the gestures associated with religious ecstasy to racialize secularism itself Reckson offers us a distinctly new vision of American realism as a performative practice a sustained account of how performance lives in and through literary archives and a rich sense of how closely secularization and racialization were linked in Jim Crow America
