Abrégé Des Publications ,1997 Covers all publications issued by the regions institutes and headquarters of Forestry Canada **Microbiology Abstracts** ,1979-12 **Index of Conference Proceedings Received** ,1975 **Index of conference proceedings received by the BLL**. British Library. Lending Division,1976 Ecotoxicology of Explosives Geoffrey I. Sunahara,Guilherme Lotufo,Roman G. Kuperman,Jalal Hawari,2009-06-01 Managing sites contaminated with munitions constituents is an international challenge Although the choice of approach and the use of Ecological Risk Assessment ERA tools may vary from country to country the assurance of quality and the direction of ecotoxicological research are universally recognized as shared concerns Drawing on a multidisciplinary approach **Remoteness Reconsidered** Christopher Rossi,2021-07-06 Much of our understanding of the world is framed from the perspective of a dominant power center or from standard readings of historical events The architecture of international information distribution academic centers and the lingua franca of international scholarly discourse also shape these stories Remoteness Reconsidered employs the idea of remoteness as an analytical tool for viewing international law s encounter with the Americas from the unusual peripheral perspective of the Atacama Desert The Atacama is one of the most remote places on Earth although that less than accurate perspective comes from standard historical accounts of the region accounts that originate from the center Changing the usual frame of reference leads to a reconsideration of the idea of remoteness and of the subsequent marginalization of historical narratives that influence hemispheric international relations in important ways today Lessons about international law s encounters with neoliberalism indigenous and human rights and the management and extraction of mineral resources take on new significance by following a spatial turn toward the idea of remoteness as applied to the Atacama Desert
