Game Dog Richard A. Wolters, 1983 Training Retrievers Bobby N. George, 2021-04-01 In the opinion of many, nobody was more influential or had a greater impact on retrievers, their training, handling and breeding than Cotton Pershall. This book was a command performance because thousands of dog owners and trainers requested that Pershall's methods be set down for generations to follow. Through the eyes and words of professional trainer Bobby N. George Jr., that's exactly what happened. The book includes complete techniques and training guidelines for lining, marking, obedience training, play training, handling doubles and triples, easily land and water retrieving, the forced retrieve techniques to make your dog a more effective waterfowl retriever and starting puppies through finishing a dog, as well as fifty years of reminiscences about dogs, trainers, waterfowl hunts and field trials. *Training the Hunting Retriever* Jerome B. In *Game Dog*, you'll discover: How to choose a pup, what to look for, where to find the best. The five critical periods of a dog's mental development. Which retrievers are easier to train, males or females. How to get two dogs to work together. Why feeding time is more than food. How to teach your dog to track, quarter and swim after game. How to get your dog to betray his instincts and obey your commands. Which tasks your dog must master to qualify as a hunter. And much more.
