Ritual Play And Performance Readings In The Social Sciences Theatre:

Ritual, Play, and Performance Richard Schechner, Mady Schuman, 1976 **Ritual, Play, and Performance** Richard Schechner, Mady Schuman, 1976-01-01 *The Play of the Self* Ronald Bogue, Mihai I. Spariosu, 1994-09-08 This interdisciplinary study explores the relationship between play and mimesis in the constitution and dissolution of the individual and social self The volume is divided into three sections the first of which focuses on the mimetic ludic foundations of mind memory and desire the second on the social and psychological self as agent of playful performance and product of cultural codes and the third on the interplay of psyche image and power in literary and artistic representations of the self The subjects of the individual studies vary widely from the interrelation of power and play in Orlando Furioso to the ludic foundations of cognition to the concept of the self in Foucault and Deleuze **In-Between Worlds** Sukanya Chakrabarti, 2022-11-25 This book examines the performance of Bauls folk performers from Bengal in the context of a rapidly globalizing Indian economy and against the backdrop of extreme nationalistic discourses Recognizing their scope beyond the musical and cultural realm Sukanya Chakrabarti engages in discussing the subversive and transformational potency of Bauls and their performances In Between Worlds argues that the Bauls through their musical spiritual and cultural performances offer joy and spirituality thus making space for what Dr Ambedkar in his famous 1942 speech had identified as reclamation of human personality Chakrabarti destabilizes the category of folk as a fixed classification or an origin point and fractures homogeneous historical representations of the Baul as a folk performer and a wandering mendicant exposing the complex heterogeneity that characterizes this group Establishing folk ness as a performance category and folk festivals as sites of performing folk ness contributing to a heritage industry that thrives on imagined and recreated nostalgia Chakrabarti examines different sites that produce varied performative identities of Bauls probing the limits of such categories while simultaneously advocating for polyvocality and multifocality While this project has grounded itself firmly in performance studies it has borrowed extensively from fields of postcolonial studies and subaltern histories literature ethnography and ethnomusicology and cosmopolitan studies Religious and Social Ritual Michael Bjercknes Aune, Valerie M. DeMarinis, 1996-01-01 Examines particular rituals social and religious as a special kind of cultural performance or interaction in a wide variety of traditions and locations The Performance Apparatus Branislav Jakovljevic, 2025-04-15 The publication of Louis Althusser's 1969 article Ideology and Ideological State Apparatuses made a deep impact on cultural studies and was instrumental in the formation of the apparatus theory in film studies While contemporaneous with the emergence of performance art this article and the questions of ideology and apparatus it raises barely registered in the field of performance studies which was then in its formative phase Jakovljevi takes this absence of Althusser's apparatus theory from performance studies as an indicator of the ideological position of the field at the moment of its emergence arguing that while theories of ideology played no major role in early performance studies performance art itself offered a number of incisive

critiques of ideology Jakovljevi looks at permutations of the apparatus by investigating the work of theorists such as Louis Althusser Michel Foucault Gilles Deleuze and Judith Butler and engagements with the apparatus by a number of artists such as Amiri Baraka Philippe Thomas New York Art Language Terry Fox Every house has a door Clive Robertson and Cassils Jakovljevi suggests that the centrality of behavior in early performance theory is important for the understanding of contemporary society which is dominated by surveillance capitalism If ideology is lodged in behaviors and if surveillance capitalism thrives on the monetization of the behavioral surplus then performance theory can make significant contributions to our understanding of the moment in which we live and the future we are facing The Performance Apparatus argues for the importance of continuing attention to the question of ideology in contemporary neoliberal order *Aesthetics of Sorrow* Tova Gamliel, 2014-04-21 Her interdisciplinary perspective and her focus on a uniquely female immigrant cultural practice will make this study fascinating reading for scholars of anthropology gender folklore psychology performance philosophy and sociology **Shakespeare's Imagined Persons** P. Murray, 1996-05-10 Challenging our understanding of ideas about psychology in Shakespeare's time Shakespeare's Imagined Persons proposes we should view his characters as imagined persons A new reading of B F Skinner's radical behaviourism brings out how contrary to the impression he created Skinner ascribes an important role in human behaviour to cognitive activity Using this analysis Peter Murray demonstrates the consistency of radical behaviourism with the psychology of character formation and acting in writers from Plato to Shakespeare an approach little explored in the current debates about subjectivity in Elizabethan culture Murray also shows that radical behaviourism can explain the phenomena observed in modern studies of acting and social role playing Drawing on these analyses of earlier and modern psychology Murray goes on to reveal the dynamics of Shakespeare's characterizations of Hamlet Prince Hal Rosalind and Perdita in a fascinating new light *Pens, Swords, And the Springs of Art* Nadia G. Yaqub, 2007 Offering an analysis of oral poetry dueling performed at traditional Palestinian weddings this book addresses poetry dueling as a performative and compositional device and explores the complex linkages between this tradition and other genres of Arabic poetry **Roads to Dystopia, Sociological Essay on the Post Modern Condition** (c) Stanford M. Lyman, 2001
