The River Jordan Nelson Glueck, 1946 **Anna Hubbard** Mia Cunningham, 2021-12-14 Anna Eikenhout 1902 1986 was an honors graduate of Ohio State University a fine arts librarian a skilled pianist and an avid reader in three languages Harlan Hubbard 1900 1988 a little known painter and would be shantyboater seemed an unlikely husband but together they lived a life out of the pages of Thoreau's Walden Much of what is known about the Hubbards comes from Harlan's books and journals Concerning the seasons and the landscape his writing was rapturous yet he was emotionally reticent when discussing human affairs in general or Anna in particular Yet it was through her efforts that their life on the river was truly civilized Visitors to Payne Hollow recall Anna as a generous gracious hostess whose intelligence and artistry made the small house seem grander than a mansion Bookseller's catalogues Thornton J. and son, 1883 **JPS: The Americanization of**

American Biblical Archaeology and Zionism
 Brooke Knorr, 2022-12-30 This book examines the relationship between several of the most prominent American biblical archaeologists and Zionism While these scholars have been studied and historicized to some extent little work has been done to understand their role in the history of the Palestinian Israeli conflict Two defining differences in the archaeologists arguments were their understanding of culture and their views on objectivity versus relativism Brooke Sherrard Knorr argues that relativist archaeologists envisioned the ancient world as replete with cultural change and opposed the establishment of a Jewish state while those who believed in scholarly objectivity both envisioned the ancient world s ethnic boundaries as rigid and favored Zionism Combining readings of the archaeologists writings with archival research this book studies the views of William Foxwell Albright Millar Burrows Nelson Glueck George Ernest Wright Paul Lapp and William G Dever regarding the establishment of an ethno national state in Palestine in detail The volume culminates with an epilogue commenting on the relevance of this topic in the present regarding the political ramifications of archaeology in the Israeli Palestinian conflict *American Biblical Archaeology and Zionism* is of interest to students and scholars of Biblical and Near Eastern archaeology American religious history and the Israeli Palestinian conflict particularly its role in regional archaeology
