River Of Blood:

The River of Blood Roland Matthew Joseph Ziemke,2013 In the tradition of Frank R Stockton s classic The Lady or The Tiger The River of Blood is a horror fable about dilemmas and conscience based in part on Kevin Dutton s Trolley Problem where a simple thief confronts a maniacal queen in a game of manipulation and surrender Life and death hang in the balance in this short work of fiction from Roland MJ Ziemke author of Princess Discipline 'The River' Blood Brother Chronicles - Volume 1 T. Beaulieu,2016-01-07 The River is the first offering of The Blood Brother Chronicles a dramatic series loosely based on family folklore that has been passed down through countless generations in the author s family Many of these legends reaching as far back as 1919 are about two 2 half brothers born in and around the turn of the century Slick and Skeeter Not much is known about the two brothers that were said to have disappeared either in New York City or on their way up North in 1927 except that they were contract killers with kind hearts that helped the poor After an extensive two 2 year family history search speaking with several older relatives the author was inspired to write The River Slick and Benjamin Skeeter are half brothers one white the other creole both growing up poor on a tobacco plantation in the late 1800 s Now grown men in the Roaring 1920 s the brothers work as contract killers for the highest bidder often the first option for wealthy white men the last option for the poor Always with ears to the the underworld the boys soon learn of white and black lynchings bullying land grabbing and resource stealing by big corporation Usually killing bigots and hate mongers for sport stakes are raised when large multinational companies stomp into South Carolina with steel toed boots and not much of a care whom they step on intimidating poor white black and native American farmers for their hard earned land Coming up with a small well thought out plan after finally locating the legal documents Slick and Benjamin discover that the parchments have been burned in the middle of the sheriff s office after a midnight raid This only deepens the men s suspicions as well as the mystery of whom or what owns vast amounts of land all around the Carolinas land certain well heeled men are willing to kill whole families for As the men travel through the dark under belly of corrupt South and North Carolina local government and the highest echelons of wealth and society their investigation is complicated when twelve 12 young prostitutes are discovered dismembered their body parts discovered in several Carolina rivers Each dead girl had one thing in common they all once worked for the infamous Madame Lolly owner of the most exclusive skin hustling business in all of the Deep South Rustling up clues and discovering the truth behind an investigation that will eventually take them all over the world the killers turn investigators call upon a complicated cast of characters many of which lie as easily as they tell truths protecting wealth heritage family and their own lives Slick and Benjamin have embarked on a journey they could have never imagined in darkest wildest dreams supernatural gods and powers vast wealth dark international brother hoods all while trying to stay safe as their enemies grow more and more powerful Heaven Talisman Tian FuXiaoSheng,2020-06-22 An endless expanse of blue sea withered wood immortal mountains ten thousand miles in total without any sign of human habitation Endless rays

of blue boundless sea dead wood immortal mountains ten thousand miles devoid of human habitation **The Final Rapture** Doc Marquis,2017 The end is just the beginning The rapture is one of the simplest concepts found in the Holy Bible yet there is a great amount of confusion and division concerning whether the next and final rapture will occur before the Tribulation in the middle of the Tribulation or after the Tribulation Doc Marquis settles the question once and for all in The Final Rapture Marquis dissects specific prophecies to show how close we truly are to the final rapture He uses information from the Book of Revelation to alert those who are in danger of missing it those who may still be on Earth during the Tribulation Period to what they must live through if they are still here **The Holy Bible** Thomas Scott,1825 **Spirits of Blood, Spirits of Breath** Barbara Alice Mann,2016-01-06 Before invasion Turtle Island or North America was home to vibrant cultures that shared long standing philosophical precepts The most important and wide spread of these was the view of reality as a collaborative binary known as the Twinned Cosmos of Blood and Breath This binary system was built on the belief that neither half of the cosmos can exist without its twin Both halves are therefore necessary and good Western anthropologists typically shorthand the Twinned Cosmos as Sky and Earth but this erroneously saddles it with Christian baggage and worse imposes a hierarchy that puts sky quite literally above earth None of this Western ideology legitimately applies to traditional Indigenous American thought which is about equal cooperation and the continual recreation of reality Spirits of Blood Spirits of Breath examines traditional historical concepts of spirituality among North American Indians both at and to the extent it can be determined before contact In doing so Barbara Alice Mann rescues the authentically indigenous ideas from Western and especially missionary interpretations In addition to early European source material she uses Indian oral traditions traced as much as possible to their earliest versions and sources and Indian records including pictographs petroglyphs bark books and wampum Moreover Mann respects each Indigenous culture as a discrete unit rather than generalizing them as is often done in Western anthropology To this end she collates material in accordance with actual historical linguistic and traditional linkages among the groups at hand with traditions clearly identified by group and where recorded by speaker In this way she provides specialists and non specialists alike a window into the purportedly lost and often caricatured world of Indigenous American thought Full Moon Edward Cerda,2010-10 The adventure continues with Sergeant Rock and his men fighting vampires werewolves zombies and enemy Vietcong soldiers deep within the jungles of Vietnam After their first encounter with a clan of blood thirsty vampires and zombies hungry for human flesh these American soldier s only desire is to return safely back to their own lines Their journey takes them through a valley filled with numerous terrors and creatures that feast on human flesh The valley that lies before them is the kingdom of the werewolves and every step that they take takes them closer to either death or survival In any case their adventure will lead them through horror and terror and encounters with not just enemy Vietcong soldiers but werewolves that only desire to tear their flesh from their bones The leader of the werewolf pack has personal knowledge of Sergeant Rock and his capabilities for survival This makes the wolf leader even

more determined that Sergeant Rock and his men must die Full Moon is full of action and packed with excitement from start to finish Both sides of the battle spill blood and guts Once you start reading this great exciting adventure you won t want to put this book down Look for the next exciting story of Sergeant Rock and his men s adventures into the unknown and terror Look for them in their fantastic adventure of supernatural battles between human and non human creatures in Bermuda Gold Bermuda Gold deals with well let s just wait till the book comes out in print But for the avid reader of exciting adventures whether horror or just plain terror Bermuda Gold contains just that Take a journey of terror and excitement with sergeant Rock and his combat soldiers Be on the look out for Bermuda Gold River of Blood Malkin Kris (author),1901 The Holy Bible, Containing the Old and New Testaments ,1873 Scholars'Hand-book of International Lessons for 1874, Etc. ...
