Rko Story:

Anne's World Irene Gammel, Benjamin Lefebvre, 2010-06-19 The recent 100 year anniversary of the first publication of L M Montgomery's *Anne of Green Gables* has inspired renewed interest in one of Canada's most beloved fictional icons. The international appeal of the red-haired orphan has not diminished over the past century and the cultural meanings of her story continue to grow and change. The original essays in *Anne's World* offer fresh and timely approaches to issues of culture, identity, health, and globalization as they apply to Montgomery's famous character and to today's readers. In conversation with each other and with the work of previous experts, the contributors to *Anne's World* discuss topics as diverse as Anne in fashion, the global industry surrounding Anne, how the novel can be used as a tool to counteract depression, and the possibility that Anne suffers from Fetal Alcohol Syndrome. Anne in translation and its adaptation for film and television are also considered. By establishing new ways to examine one of popular culture's most beloved characters, the essays of *Anne's World* demonstrate the timeless and ongoing appeal of L M Montgomery's writing. *From Caligari to California* Ursula Hardt, 1996-12 A biography of the famed German film producer whose successes such as *The Cabinet of Dr. Caligari* and *The Blue Angel* have become industry classics. Hardt traces Pommer's work from the pre-Hitler days of the Ufa studio, his emigration to the US in 1933, his battle to establish himself in the Hollywood milieu, his political struggles as Motion Picture Control Officer of the US Military during 1946-1949 as he tried to rebuild Germany's film machinery, and ultimately documents Pommer's survival as one of the major producers of the era. Includes photographs and film index. Appendices. Paper edition, unseen. 1995. Annotation copyright by Book News Inc. Portland, OR. **The Shocking Miss Pilgrim** Frederica Sagor Maas, 2010-09-12 Freddie Maas's revealing memoir offers a unique perspective on the film industry and Hollywood culture in their early days and illuminates the plight of Hollywood writers working within the studio system. An ambitious twenty-three-year-old Maas moved to Hollywood and launched her own writing career by drafting a screenplay of the bestselling novel *The Plastic Age* for It Girl Clara Bow. On the basis of that script, she landed a staff position at powerhouse MGM studios. In the years to come, she worked with and befriended numerous actors and directors, including Norma Shearer, Joan Crawford, and Eric von Stroheim, as well as such writers and producers as Thomas Mann and Louis B. Mayer. As a professional screenwriter, Frederica quickly learned that scripts and story ideas were frequently rewritten and that screen credit was regularly given to the wrong person. Studio executives wanted well-worn plots, but it was the writer's job to develop the innovative situations and scintillating dialogue that would bring the picture to life. For over twenty years, Freddie and her friends struggled to survive in this incredibly competitive environment. Through it all, Freddie remained a passionate, outspoken woman in an industry run by powerful men, and her provocative, nonconformist ways brought her success, failure, wisdom, and a wealth of stories, opinions, and insight into a fascinating period in screen history. **The Great American Playwrights on the Screen** Jerry Roberts, 2003-05 The profound expansion of television into American homes in the 1950s

brought a flood of adapted plays to the small screen and resulted in the rebirth of the careers of many significant playwrights. The Great American Playwrights on the Screen provides fans with a video and DVD guide to the adapted works of the playwrights and shows which versions are available for home viewing and in what media VHS and DVD. It resurrects the memory of television productions of plays at a critical time when many of them, including Emmy winners and nominees, are deteriorating in vaults.
