Shirley, Sr. You Can Get There from Here** James W. Shirley,2015-06 In the small town of Harrison City Pennsylvania Jim Shirley began his life surrounded by family and community members It didn t matter that they didn t have electricity used a galvanized steel washtub for bathing and had an outhouse for other necessities A loving and caring mother older siblings and a home built of love were the stepping stones to a self made man As Jim grows older he learns what he wants to do in life how to create a family of his own and how to draw the most out of what life has to offer a person After becoming a licensed funeral director in 1959 he was employed in the Pittsburgh area Later he purchased a home under unusual circumstances in North Huntingdon Township Pennsylvania As a budding funeral director he inadvertently became a community leader in the Lions International organization and presented his speaking skills he showed us what it means to bring a new meaning to life and enjoy every moment of it with the same wondrous awe we had as children *On Second Thought* Donald W. Shriver,2010-03-01 In this Don Shriver s fifteenth book the socially involved ethicist and former president of Union Theological Seminary reveals some of the challenging experiences and ideas that have informed his work In a book both personal and honest Shriver reflects on the nature and importance of books music education war friends marriage political conflict and his tenure at Union The essays as a whole represent exemplary theological work by showing how biblical images

and themes provided Shriver with both a lens for interpreting his era and a perspective from which to anticipate the future A dominant theme of his work has been the dynamics of forgiveness in human society and the meaning of forgiveness beyond personal life in the relations of groups and nations A final essay a letter to the great grandchildren he will never meet articulates the positive and hopeful message of this wide ranging collection For readers already familiar with his local to global efforts spanning ecumenical racial economic and political justice issues the book offers new insights into how Shriver s life experiences have impacted his work For those not yet familiar with that work the collection offers an intimate introduction to Shriver s passions for theology history and social justice particularly in the American South Germany Ireland South Africa and East Asia
