Road To Holiness:

Road to Holiness Rev. Tijs Theijsmeyer, 2021-12-22 This book was written to help people grow closer to and participate more fully in their personal relationship with God The road to spiritual maturity is often a long and involved process which I believe is outlined for us in John's Gospel John says at the end of his Gospel in 20:21 But these are written that you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his name The life he is talking about is our spiritual life Our spiritual life starts when we begin to truly believe in Jesus and accept him as our lord and Saviour It comes to ultimate fulfillment when we cross over from physical death into eternal life in Heaven In between is a long and often difficult but rich and involved journey On this Road to Holiness we learn many things We learn to give up old ways that are not life giving and to adopt a more deeply true spiritual outlook I believe we go through various stages that I have outlined in this book and as found in the Gospel We learn to recognize the presence of the Holy Spirit in our lives as wonderful new opportunities present themselves As we grow in our spiritual maturity we develop new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God's creation and creatures in a new way Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort As we gain a solid faith in our own worth in the sight of God we also begin to participate in the unfolding of the Kingdom of God in our midst This helps us to discover new ways to prepare for our eventual arrival into the Kingdom of Heaven **Highway of Holiness** Judith

Lawrence, 2011-05-11 You were born on earth in holiness but as you walk along life's road and become buffeted with life's trials you lose the knowledge of the holiness with which you were born Join Judith Lawrence along her soul journey as she considers God's grace the indwelling of the Holy Spirit the abundance of Christ's love and many other blessings received along life's road Discover your soul's qualities discern your soul's voice and follow your soul's leading along your spiritual pilgrimage Become a contemplative without a cloister keep God at the center of your life and find God's open doors along your pilgrim way This book will take you through paths of prayer and assist you to become aware of your soul's presence within it will guide you towards a unique relationship with God take you along your path to spiritual maturity and give you a realization of your holiness and oneness with God The spiritual journey is one of awakening to your soul's presence rediscovering the holiness with which you were born and being transformed into spiritual beings The Road to Holiness E. W. Bullinger, 2018-11-05 Towards the end of the 19th Century E W Bullinger grew more and more concerned about incorrect teaching on holiness and how it was acquired Such teaching arose in certain new movements and appeared in articles in the Christian press of his day These studies were first written in the closing years of the 19th Century Thus what he refers to as The Modern Movement relates to what had arisen in the United Kingdom at that time However some of those errors of that Modern Movement persist today and so much of what he wrote then is relevant and helpful to 21st Century Christians

Navigating the Highway to Holiness Florence Koleszar, Michael Koleszar, 2014-11-24 WHERE ARE YOU ON THE HIGHWAY TO HOLINESS Being a Christian is more than just an instantaneous conversion it is a daily process whereby we grow to be more and more like Christ When we no longer desire to grow and please our Lord we stifle the work of the Holy Spirit by telling Him to move out from behind the steering wheel and into the back seat essentially telling Him we are happy to have Him along for the ride but we want to maintain control of our lives Christians are only as holy as they want to be John the Baptist addresses this thought head on when he said He must increase but I must decrease John 3 30 Here in this short scripture John identifies the main battleground for all Christians to become more like Christ while simultaneously conquering our sinful nature The church as a whole has pulled off of the Highway to Holiness into a rest area where we have become comfortable parked under the shade tree of contentment We have become satisfied with our spiritual growth telling ourselves that while we are not what we are suppose to be we are much better than what we use to be before Christ We have grown weary of battling our own flesh which has extinguished the passion and desire we once had to pursue holiness and righteousness However complacency with Christ is the graveyard where Christians go to die Supported by numerous scriptures Navigating the Highway to Holiness identifies areas within the church that have been weakened by false doctrine and the spirit of compromise while simultaneously challenging Christians to continually move towards perfection through the power of the Holy Spirit and by allowing Christ to assume His rightful place on the throne of our hearts

Road To

Holiness Rev. Tijs Theijsmeijer, 2018-10-15 The road to spiritual maturity is often a long and involved process that takes most people a lifetime to accomplish I have written this book based on the Gospel of John in the hopes of helping people find their way along the road to a richly rewarding experience of Christian maturity When we begin the journey by making a conscious decision to be a Christian person we make a decision that will eventually affect every aspect of our lives We each begin with a deeply varied background of ingrained cultural and family patterns that are not all in harmony with the teachings of Jesus These patterns need to be questioned and examined by the light of Jesus s teachings The writer of John s Gospel tells us that he wants us to have life in all its fullness a life that will be deeply rewarding not only for our lives now but also in the fullness of Heaven As we learn new ways of thinking and behaving rich possibilities open up for us Our prayer life transforms from a one sided monologue to a dialogue with God As we learn to recognize the presence and work of the Holy Spirit in our lives wonderful opportunities present themselves that we likely never dreamed would be possible for us to participate in As we grow in our spiritual maturity we develop a new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God s creation and creatures in ways that help us to know we are in total harmony with God Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort as we gain a solid faith in our own worth in the sight of God and begin to actively participate in the unfolding of the Kingdom of God in

our midst preparing us in new ways for our eventual arrival into the kingdom of his Heaven **The Road to Immortality**
Brother Paul (pseud.),1898 **There Will be a Highway There... Called "the Road of Holiness"** M. J. Matuka,2007

Highway to Holiness Catherine (Cathee) Miles,2025-07-22 Holiness sometimes seems like an abstract ideal that is unattainable for believers We tend to equate doing good with being holy or seeking to eliminate things in our lives that appear unholy The beautiful aspect of God s call to holy living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional Cathee helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the Trinity the Church and discipleship She encourages and challenges readers with stories of hope redemption healing forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to Holiness is intentional and instructional for holy living Highway of Holiness
Sandra Bunce,2005-04-01 Child of God do you realize how much God loves you I have endeavored to write this book to share with everyone who reads it the words from the heart of God s heart to His body His bride His children Come away let God speak to your heart as you listen to His heart I encourage you Do not grow weary do not be discouraged press toward the goal for the prize of the upward call of God in Christ Jesus Phil 3 14 I have grown to realize how desperately I need God s guidance and love and I only hope this book will help shine the light for you as you walk the Highway of Holiness *Study Guide for Road to Holiness* Rev. Tijs Theijsmeyer,2021-05-10 This study guide was written to help individuals and small groups to work their way through the ideas found in Tijs first book Road to Holiness There he outlines the spiritual journey from beginning to maturity as he found described in John s Gospel The writer of John s Gospel says in Verse 20 31 But these are written that you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his name This study guide will help you to grow in your spiritual life and at the same time help prepare you for all the joys of Heaven It will guide you to become a true spiritual brother or sister of the Lord Jesus here and now
