Robbery On The Overland Express

Doug Hocking

Robbery On The Overland Express:

Great Train Robberies of the Old West R. Michael Wilson, 2006-11-01 During the 1800s trains carried the nation's wealth throughout the east but no one thought to rob a speeding train until 1866 In 1870 the first western train was robbed in Nevada and within hours a second train was robbed Railroads made every alteration to their cars and changed every procedure they could imagine to thwart the robbers but to no avail Robbing trains became epidemic over the next five decades even when the legislatures made train robbery a capital crime A few of the hundreds of train robberies stand out as thrilling and dangerous affairs and the greatest of these 15 20 are included in this book *Southwest Train Robberies* Doug Hocking, 2023-05-01 In 1854 the United States acquired the roughly 30 000 square mile region of present day southern Arizona and southwestern New Mexico from Mexico as part of the Gadsden Purchase This new Southern Corridor was ideal for train routes from Texas to California and soon tracks were laid for the Southern Pacific and Santa Fe rail lines Shipping goods by train was more efficient and for desperate outlaws and opportunistic lawmen robbing trains was high risk high reward The Southern Corridor was the location of sixteen train robberies between 1883 and 1922 It was also the homebase of cowboy turned outlaw Black Jack Ketchum's High Five Gang Most of these desperadoes rode the rails to Arizona's Cochise County on the US Mexico border where locals and lawmen alike hid them from discovery Both Wyatt Earp and Texas John Slaughter tried to clean them out but it took the Arizona Rangers to finish the job It was a time and place where posses were as likely to get arrested as the bandits Some of the Rangers and some of Slaughter's deputies were train robbers When rewards were offered there were often so many claimants that only the lawyers came out ahead *Southwest Train Robberies* chronicles the train heists throughout the region at the turn of the twentieth century and the robbers who pulled off these train jobs with daring deceit and plain dumb luck Many of these blundering outlaws escaped capture by baffling law enforcement One outlaw crew had their own caboose Number 44 and the railroad shipped them back and forth between Tucson and El Paso while they scouted locations Legend says one gang disappeared into Colossal Cave to split the loot leaving the posse out front while they divided the cash and escaped out another entrance The antics of these outlaws inspired Butch Cassidy and the Sundance Kid to blow up an express car and to run out guns blazing into the fire of a company of soldiers **California Bandits, Bushwackers, Outlaws, Crooks, Devils, Ghosts, Desperadoes and Other Assorted and Sundry Characters!** Carole Marsh, 1994 Gives some anecdotes on some of California's lesser known criminals Also includes some word game *Wells, Fargo & Co. Stagecoach and Train Robberies, 1870-1884* James B. Hume, John N. Thacker, R. Michael Wilson, 2010-03-08 In January 1 1885 Wells Fargo Company's chief detective James B Hume and special agent John N Thacker published a report summarizing the company's losses during the previous 14 years It listed 313 stagecoach robberies 23 burglaries and four train robberies but included little or no details of the events themselves focusing instead on physical descriptions of the robbers Widely circulated the report was intended to assist law enforcement in

identifying and apprehending the criminals believed still to present a danger to the company The present volume revisits each crime updating Hume and Thacker s original report with rich new details culled from local newspapers personal diary entries and court records **The California Overland Express: the Longest Stage-ride in the World** William Tallack,1865 **Expressman's Monthly** ,1876 **Great Stagecoach Robberies of the Old West** R. Michael Wilson,2006-11-01 Stagecoach robbers evolved as a consequence of the discovery of gold or silver or some other mineral treasure and a town would spring forth from the earth overnight Roads were soon built and stage lines began operating A pitching Betsy would take out bullion and dust and bring in payrolls always through country that was rough and isolated The temptation to get rich quickly was too great for some and the demand Hold Throw out that treasure box was heard all too often in the Old West Most robberies were never solved but many robbers were caught indicted tried convicted and sentenced This book includes a collection of 15 20 of the most thrilling stagecoach robberies from 1875 1905

Stagecoach Robberies in California R. Michael Wilson,2014-09-22 California was the mining center of the West for half a century Wherever precious minerals were found road agents appeared to mine the roads of treasure being shipped out and payrolls being shipped in The first recorded robbery of a stagecoach occurred in 1856 and the last in 1913 Over that period there were 458 stagecoach robberies many with special characteristics such as a claim the robbers were Confederate soldiers a murder a gun battle or a thrilling pursuit and capture Surprisingly there were many robberies in which the perpetrator remained unknown or in which was so little stolen the robber was not even sought out This book gives all the details of those robberies taken from the contemporary newspapers and from a variety of other sources [The Ultimate Western Collection](#) Mark Twain,James Fenimore Cooper,Max Brand,James Oliver Curwood,B.
