

Robbie Coltrane

Neil Norman, Robbie Coltrane

Robbie Coltrane:

Looking for Robbie Neil Norman, Robbie Coltrane, 2000 *Robbie Coltrane* K. Bush, 2022-11-09 Anthony Robert McMillan OBE born in Rutherglen Glasgow South Lanarkshire Scotland UK on 30th March 1950 known professionally as Robbie Coltrane was an actor comedian writer who got worldwide recognition during the 2000s for playing Rubeus Hagrid in the Harry Potter movie series He was appointed an OBE in the New Year Honours of 2006 by Queen Elizabeth II for his services to drama Robbie was given the Evening Standard British Film Award Peter Sellers Award for Comedy in 1990 He was honoured for his outstanding contribution to film at the British Academy Scotland Awards of 2011 Coltrane began his career alongside Hugh Laurie Stephen Fry and Emma Thompson in the sketch series *Alfresco* He starred in the BBC miniseries *Tutti Frutti* during 1987 with Emma for which he was nominated for his 1st British Academy Television Award for Best Actor Robbie then came to national prominence starring as criminal psychologist Dr Eddie Fitz Fitzgerald in the ITV series *Cracker* winning the British Academy Television Award for Best Actor from 1994 to 1996 Coltrane came 11th in ITV's poll of TV's 50 Greatest Stars in 2006 voted for by the public He starred in the 4 part Channel 4 series *National Treasure* alongside Julie Walters during 2016 being nominated for a British Academy Television Award Robbie appeared in George Harrison's pictures *Mona Lisa* *Nuns on the Run* and as Valentin Dmitrovich Zukovsky in the James Bond movies *GoldenEye* *The World Is Not Enough* He was also in the films *Henry V* *Let It Ride* *Danny the Champion of the World* *Ocean's Twelve* *The Brothers Bloom* *Great Expectations* and *Effie Gray* having voiced roles in the animated pictures *The Tale of Despereaux* *Brave*

Robbie Coltrane's B-Road Britain Robbie Coltrane, 2008-09-04 Tired of the endless tarmac and Little Chefs and keen to see more on his travels than the tail lights of the car in front of him Robbie Coltrane has set himself quite a challenge Instead of scaling the Himalayas trekking across the Antarctic or hacking through the Brazilian rainforest he has decided to explore strange and exotic areas that are somewhat closer to home Armed only with a map an inquisitive mind and one of his favourite classic cars a Carmen red drophead Jaguar XK150S he ventures off the beaten track and on to the B roads of deepest darkest Britain Travelling from London to Glasgow in search of the impressive the eccentric and sometimes the downright ridiculous Robbie's journey takes us through stunning countryside into the heart of Great Britain From wing walking in Gloucestershire and bottle kicking in Leicestershire to pigeon fancying in Sunderland and ale brewing in Stirling Robbie delves deep into our local communities to uncover strange festivals inspirational people and treasured traditions that reveal exactly what it is that makes our country so incredible so bizarre and so well British **Robbie Coltrane**, 2005

Internet Movie Database entry for actor Robbie Coltrane **The Hungry Years** William Leith, 2010-08-20 Hunger is the loudest voice in my head I'm hungry most of the time William Leith began the eighties slim by the end of that decade he had packed on an uncomfortable amount of weight In the early nineties he was slim again but his weight began to creep up once more On January 20th 2003 he woke up on the fattest day of his life That same day he left London for New York to interview

controversial diet guru Dr Robert Atkins But what was meant to be a routine journalistic assignment set Leith on an intensely personal and illuminating journey into the mysteries of hunger and addiction From his many years as a journalist Leith knows that being fat is something people find more difficult to talk about than nearly anything else But in *The Hungry Years* he does precisely that Leith uses his own pathological relationship with food as a starting point and reveals himself driven to the kitchen first thing in the morning to inhale slice after slice of buttered toast wracked by a physical and emotional need that only food can satisfy He travels through fast food scented airports and coffee shops as he explores the all encompassing power of advertising and the unattainable notions of physical perfection that feed the multibillion dollar diet industry Fat has been called a feminist issue William Leith's unblinking look at the physical consequences and psychological pain of being an overweight man charts fascinating new territory for everyone who has ever had a craving or counted a calorie *The Hungry Years* is a story of food fat and addiction that is both funny and heartwrenching I was sitting in a caf on the corner of 3rd Avenue and 24th Street in Manhattan holding a menu I was overweight In fact I was fat Like millions of other people I had entered into a pathological relationship with food and with my own body For years I had desperately wanted to write about why this had happened not just to me but to all those other people as well I knew it had a lot to do with food But I also knew it was connected to all sorts of outside forces If I could understand what had happened to me I could tell people what had happened to them too Right there and then I decided that I would do everything to discover why I had got fat I would look at every angle And then I would lose weight and report back from the slim world Excerpt from *The Hungry Years* *Robbie Coltrane's B-Road* Robbie Coltrane, 2009-12-23 **Seen That, Now What?** Andrea Shaw, 1996-04-09 This revolutionary reference offers viewers a variety of ways to hone in on the right choice for an evening's entertainment Going beyond the broad categories Action Comedy Drama etc found in most guides this book features small groups of films arranged according to specific categories as historical swashbucklers screwball comedies and Busby Berkeley musicals Shaw eschews the standard star rating system to focus on more telling criteria Understanding Eyewitness Memory Sean M. Lane, Kate A. Houston, 2021-05-25 An essential overview of how perception and memory affect eyewitness testimony In 1981 sixteen year old Michael Williams was convicted on charges of aggravated rape based on the victim's eyewitness testimony No other evidence was found linking him to the attack After nearly twenty four years Williams was released after three separate DNA analyses proved his innocence The victim still maintains that Williams was the culprit This heartbreaking case is but one example of eyewitness error In *Understanding Eyewitness Memory* Sean M Lane and Kate A Houston delve into the science of eyewitness memory They examine a number of important topics from basic research on perception and memory to the implications of this research on the quality and accuracy of eyewitness evidence The volume answers questions such as How do we remember and describe people we've encountered What is the nature of false and genuine memories How do emotional arousal and stress affect what we remember *Understanding Eyewitness Memory* offers a brilliant overview of how

memory and psychology affect eyewitness testimony where quality and accuracy can mean the difference between wrongful imprisonment and true justice Some Joe You Don't Know Anthony Slide,1996-01-23 Americans have been watching and enjoying British television programming since the mid 1950s but the information on the personalities involved is difficult if not impossible to find in the United States This guide provides biographical essays complete with bibliographies on 100 of the best known and loved actors and actresses from Richard Greene Robin Hood and William Russell Sir Lancelot in the 1950s through stars of Masterpiece Theatre including Robin Ellis and Jean Marsh to the new generation of British comedy performers such as Alexei Sayle and Jennifer Saunders Not only are serious dramatic actors and actresses such as Joan Hickson and Roy Marsden to be found here but also the great comedy stars including Benny Hill and John Inman Among the many shows discussed in the text are Absolutely Fabulous You Being Served Dad s Army Doctor Who Fawlty Towers The Good Life The Jewel in the Crown Poldark Rumpole of the Bailey Upstairs Downstairs and Yes Minister The guide offers not only factual information but also samplings of contemporary critical commentary and in depth interviews with Terence Alexander Richard Briers Benny Hill Wendy Richard Prunella Scales and Moray Watson This is a reference source that also serves as fascinating entree into the wonderful world of British television one that is as fun to browse as it is to use for factual documentation They Died on My Watch Noel Bailey,2024-04-26 Who was the actress who died just before Christmas She was the voice of in Did Hitler commit suicide or was he shot by Russian troops Do you remember what year Princess Diana died in that car crash in Paris How many husbands did Elizabeth Taylor divorce in her lifetime What was that well known British actor who passed away right after David Bowie died Questions you might hear at the next table of your favourite eatery Questions you may or may not know the answer to They Died on My Watch can answer these and many more It is a comprehensive reference work that should prove itself indispensable to any household Most certainly a book to sustain interest when cruising at 35 000 feet between London and New York It might be seen as the ultimate umpire to settle any argument that may arise within a discussion involving a deceased celebrity recent or not

Immerse yourself in the artistry of words with Crafted by is expressive creation, Discover the Artistry of **Robbie Coltrane** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
