Robert Menzies Forgotten People:

Human Rights in Twentieth-Century Australia Jon Piccini, 2019-10-10 Human rights in Australia have a contested and controversial history the nature of which informs popular debates to this day **Paul Hasluck in Australian History** Tom Stannage, Kay Saunders, Richard Nile, 1998 No Marketing Blurb **Quarterly Essay 19 Relaxed and Comfortable** Judith Brett, 2005-09-01 What is the Liberal Party's core appeal to Australian voters Has John Howard made a dramatic break with the past or has he ingeniously modernised the strategies of his party's founder Sir Robert Menzies For Judith Brett the government of John Howard has done what successful Liberal governments have always done it has made its stand firmly at the centre and presented itself as the true guardian of the national interest In doing this John Howard has taken over the national traditions of the Australian Legend that Labor once considered its own Brett offers a lucid short history of the Liberals as well as an original account of the Prime Minister arguing that above all he is a man obsessed with the fight against Labor She explores both his inventiveness in practising the politics of unity and his great ruthlessness in practising the politics of division She incorporates fascinating interview material with Liberal voters shedding light on some of the different ways in which the Liberals appeal as the natural party of government Full of provocative ideas Relaxed and Comfortable will change the way Australians see the last decade of national politics Where Keating spoke to the nation Howard spoke from it straight from the heart of its shared beliefs and commonsense understandings of itself Judith Brett Relaxed and Comfortable Judith Brett's elegant account of the Liberal Party's Australia rightly emphasises older nationalist and individualist themes that John Howard has exploited Ian Marsh Judith Brett's essay is important because it makes no attempt to lionise or demonise John Howard It seeks merely to examine the reasons for his phenomenal run and does so with great precision Graham Richardson Brett's is a sober analysis and not one of moral outrage The essay represents a challenge to the leftist sense that under Howard as Chicken Licken said The sky is falling David Corlett Judith Brett has once more shown herself to be one of the foremost commentators on the Liberal Party's political role It is really the fact that her essay is so good that has prompted my response David Kemp Judith Brett is professor of politics at La Trobe University and one of Australia's leading political thinkers She is a former editor of Meanjin and columnist for the Age She is the author of the award winning Robert Menzies Forgotten People and Australian Liberals and the Moral Middle Class From Alfred Deakin to John Howard 2003 which was shortlisted for the Queensland premier's prize for non fiction **Quarterly Essay 15 Latham's World** Margaret Simons, 2004-09-01 In the third Quarterly Essay of 2004 Margaret Simons takes a long hard look at Mark Latham the self-proclaimed club buster and the man who would be prime minister Few doubt Latham's intelligence and ambition but what will this amount to in government Simons argues that if Labor is elected it will not be business as usual Rather we can expect a reformist government in the spirit if not the letter of Latham's political tutor Gough Whitlam It is also likely to be a government that has little time for the totemic issues of the Labor elites This is an essay that takes the

political pulse of the nation it is clear eyed probing anchored in observation and an original analysis of the political state of play It ventures into the murky world of Liverpool Council where Latham made enemies and ran the show It reserves harsh words for those in the media who have ignored Latham s ideas and community campaigning in favour of rumour mongering Above all it reveals Latham as a conviction politician and an acute thinker with a prescient understanding of how the urban fringe now drives the politics of the nation Mark Latham s arrival on the political scene has brought to an end the fictions that have dominated politics for the last ten years Margaret Simons Latham s World *The Vietnam War in the Pacific World* Brian Cuddy,Fredrik Logevall,2022-10-05 Fifty years since the signing of the Paris Peace Accords signaled the final withdrawal of U S troops from Vietnam the war s mark on the Pacific world remains The essays gathered here offer an essential postcolonial interpretation of a struggle rooted not only in Indochinese history but also in the wider Asia Pacific region Extending the Vietnam War s historiography away from a singular focus on American policies and experiences and toward fundamental regional dynamics the book reveals a truly global struggle that made the Pacific world what it is today Contributors include David L Anderson Mattias Fibiger Zach Fredman Marc Jason Gilbert Alice S Kim Mark Atwood Lawrence Jason Lim Jana K Lipman Greg Lockhart S R Joey Long Christopher Lovins Mia Martin Hobbs Boi Huyen Ngo Wen Qing Ngoei Nathalie Huynh Chau Nguyen Noriko Shiratori Lisa Tran A Gabrielle Westcott *The Forgotten People* Paul Ritchie,2018-06-05 Robert Menzies famous Forgotten People speeches captured the hopes of Australians as they looked forward to a better life after World War II While times have changed Menzies themes of freedom opportunity and responsibility remain In The Forgotten People Updated Menzies political heirs revisit these themes against the contemporary backdrop of freedom of speech urban life fairness education political correctness Trump the rise of China and more **The Experience of Middle Australia** Michael Pusey,2003-06-23 This book puts middle Australia under the microscope examining how quality of life is faring in the face of change and uncertainty 400 Australians from around the country shared their experiences of work family and community for this book creating a striking picture of Australian society into a new millennium This lived experience is set against hard data so that we can truly understand the impact good and bad of economic restructuring on the broad Australian middle class Meticulously researched it mounts a moral and intellectual counter argument to economic reform A sequel to the best selling Economic Rationalism in Canberra Michael Pusey s book will be equally important **Confusion** Paul Strangio,Nick Dyrenfurth,2009-11-15 In Confusion some of Australia s foremost political historians including Judith Brett and Stuart Macintyre revisit the seminal moment when liberals threw in their lot with the conservatives In May 1909 Alfred Deakin the radical liberal doyen struck an agreement for a controversial fusion with the anti Labor factions with the new grouping later adopting the name Liberal Party After a heated campaign Labor won the 1910 election forming the first majority government in the history of the Commonwealth The Australian party system as we still largely know it one hundred years on had crystallised How had this occurred For most of the previous

decade Labor and Deakin had been allies Was the anti Labor alliance the inevitable outcome of middle class men rallying against the growing electoral might of the workers party What were the long term consequences for both sides of politics With Labor in power federally and in all but one state the non Labor side of politics has been plunged into a period of introspection about its coalition arrangements and about the legitimate traditions of Australian liberalism Can the current Liberals learn from the events of a century ago

Liberals And Power Peter van Onselen, 2014-03-12 Peter van Onselen the co author of John Winston Howard The Definitive Biography and Howard s End has put together a vibrant collection of essays that offers policy analysis political philosophy and election winning strategies They look at Howard s reign and legacy and craft a narrative for the future Liberals and Power is compelling reading for anyone interested in a healthy party political system and a robust democratic state

Reel Men Chelsea Barnett, 2019-02-19 Set against the shifting social and political backdrop of a nation throwing off the shackles of one war yet faced with the instability of the new world order Reel Men probes the concept of 1950s masculinity itself asking what it meant to be an Australian man at this time Offering a compelling exploration of the Australian fifties the book challenges the common belief that the fifties was a dead era for Australian filmmaking Reel Men engages with fourteen Australian feature films made and released between 1949 and 1962 and examines the multiple masculinities in circulation at this time Dealing with beloved Australian films like Jedda 1955 Smiley 1956 and The Shiralee 1957 and national icons of the silver screen including Chips Rafferty Charles Bud Tingwell and Peter Finch Reel Men delves into our cultural past to dismantle powerful assumptions about film the fifties and masculinity in Australia
