classic Hollywood's influential stars such as James Cagney, Bette Davis, Cary Grant and Katharine Hepburn. These so-called pre-Brando entertainers often dismissed as old-fashioned were part of an explosion of talent that ran from the late 1920s through the early 1950s. The author analyzes their compelling styles and their ability to capture audiences. *Made in Mexico* Luis I. Reyes, 2024-03-26 For more than a century directors from both sides of the border have chosen Mexico as the location to create their cinematic art, leaving an indelible imprint on the imaginations of moviegoers and filmmakers worldwide. Now for the first time *Made in Mexico: Hollywood South of the Border* presents a comprehensive examination of more than one hundred Hollywood theatrical feature films made in Mexico between 1914 and the present day. Lavishly illustrated throughout, *Made in Mexico* examines how Hollywood films depicted Mexico and how Mexico represented itself in relation to the films shot on location. It pulls back the curtain on how Hollywood filmmakers influenced Mexican films and Mexican filmmakers influenced Hollywood. Listed chronologically and featuring cast credits, synopsis and contemporary reviews along with a production history for each entry, this book highlights the concept of crossing borders in which artists from both nations collaborated with one another. *Made in Mexico* also provides a brief historical perspective on the aesthetics, economics and politics of the film industries in each country, giving readers a glimpse of the external forces at play in the production of these films. With motion pictures permeating the cultural and historical landscape of both Mexico and the United States, this compulsively readable compendium demonstrates the far-reaching influences of the featured films on the popular culture of both nations. **A Comprehensive Encyclopedia of Film Noir** John Grant, 2023-09-21 Featuring rumpled PIs, shyster lawyers, corrupt politicians, double crossers, femmes fatales and of course losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days and even before, looking at some of noir's ancestors in US and European cinema as well as noir's more recent offshoots from neo-noirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world from every continent save Antarctica, with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors and writers. With coverage of blockbusters and program fillers from *Going Straight* (US, 1916) to *Broken City* (US, 2013) via *Nora Inu* (Japan, 1949), *O Anthropos tou Trainou* (Greece, 1958), *El Less Wal Kilab* (Egypt, 1962), *Reportaje a la Muerte* (Peru, 1993), *Zift* (Bulgaria, 2008) and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cinephile.
