Robert Musil Leben Und Werk In Bildern Und Texten

Edward Timms, Ritchie Robertson

Robert Musil Leben Und Werk In Bildern Und Texten:

A Companion to the Works of Robert Musil Philip Payne, Graham Bartram, Galin Tihanov, 2007 The analyses in this title are embedded in an appreciation of the intellectual contexts of Musil's writing yielding fresh insights into his artistic accomplishment and his place in the Austrian and German traditions of the 20th century *Encyclopedia of the Essay* Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **Robert-Musil-Handbuch** Birgit Nübel, Norbert Christian Wolf, 2016-10-24 Der österreichische Autor Robert Musil 1880 1942 war Militär Ingenieur und promovierter Philosoph Er hat neben seinem fragmentarischen Roman *Der Mann ohne Eigenschaften* 1930 32 Dramen Erzählungen Essays Rezensionen sowie einen umfangreichen Nachlass hinterlassen Das Handbuch bietet LiteraturwissenschaftlerInnen wie interessierten Laien eine umfassende Übersicht zu Leben Werk und Wirkung Musils Zugleich werden Forschungsperspektiven auf eines der wichtigsten Werke der deutschsprachigen klassischen Moderne eröffnet das einen diskursiven Querschnitt durch Kultur und Wissensgeschichte zeitgenössische Philosophie Ästhetik Natur und Technikwissenschaft präsentiert **In the Shadow of Empire** Malcolm Spencer, 2008 Spencer then considers Roth's more negative reaction showing the post imperial novel *Radetzkymarsch* to be a nostalgic response to the collapse of Habsburg Austria and the rise of fascism The final chapter looks again at the end of empire not in the work of writers who lived through it but through that of one who experienced it as a historical and cultural legacy Ingeborg Bachmann BOOK JACKET Robert Musil Karl Corino, Robert Musil, 1992 **The Cambridge Companion to the Modern German Novel** Graham Bartram, 2004-04-05 The Cambridge Companion to the Modern German Novel first published in 2004 provides a broad ranging introduction to the major trends in the development of the German novel from the 1890s to the present Written by an international team of experts it encompasses both modernist and realist traditions and also includes a look back to the roots of the modern novel in the Bildungsroman of the late eighteenth and nineteenth centuries The structure is broadly chronological but thematically focused chapters examine topics such as gender anxiety images of the city war and women's writing within each chapter key works are selected for close attention Unique in its combination of breadth of coverage and detailed analysis of individual works and featuring a chronology and guides to further reading this Companion will be indispensable to students and teachers **The Intersection of Science and Literature in Musil's "The Man Without Qualities"** Thomas Sebastian, 2005 A fresh view of the interplay of science and literature affecting Musil's great novel As the utopian projection of a world in which the

conditional mood is preferred to the indicative Robert Musil's ambitious novel *The Man Without Qualities* is widely recognized as a great example of aesthetic modernism and a profound reflection on the postmodern condition. Based on the new and more inclusive English translation by Sophie Wilkins and Burton Pike, this study provides the English-speaking reader with a well-researched commentary that situates Musil's novel in the cultural, literary, and scientific context of the early 20th century. Revealing the novel's many philosophical underpinnings, the study analyzes the intersection of theoretical reflection and aesthetic imagination essential to Musil's programmatic move beyond realism. Thomas Sebastian explores Musil's background in experimental psychology, which he studied under the pioneering psychologist Carl Stumpf, and how it and other strains of scientific thought, including that of Ernst Mach, on whose philosophical ideas Musil wrote his doctoral thesis, are reflected in his great novel. Thomas Sebastian is Associate Professor of German at Trinity University in San Antonio, Texas.

Robert Musil - Essayismus als Selbstreflexion der Moderne Birgit Nübel, 2008-08-22. Nicht der von der Forschung viel beachtete Roman *Der Mann ohne Eigenschaften*, sondern Musils Essays stehen im Mittelpunkt dieser innovativen Untersuchung. Die Essayismus nicht als Textmerkmal, sondern als metatextuelles Vertextungsverfahren bestimmt. Als Medien kultureller Selbstreflexion sind Musils bedeutende Essays Kulturkritik und Poetologie der Moderne zugleich. Die vorliegende Studie entwickelt in der Verbindung von Literatur- und Soziologiegeschichte, Texttheorie und Gattungspoetik neue Analyse-kriterien zur Bestimmung des Essayistischen. Im Vergleich mit Texten von Georg Simmel, Georg Lukács, Balzac, Franz Blei und Hermann Broch werden die für den essayistischen Metatext grundlegenden Verfahren der Verkettung, Kommentierung, Fortschreibung, Inkorporierung und Traversalion aufgezeigt. Essayismus als literaturwissenschaftliche Beschreibungs- bzw. Analyse-kategorie bezeichnet hier ein Autornamen-Einzeltex-te-Gattungen wie Diskurse berschreitendes anschlussfähiges Vertextungsprinzip.

Eros and Inwardness in Vienna David S. Luft, 2011-04-15. Although we usually think of the intellectual legacy of twentieth-century Vienna as synonymous with Sigmund Freud and his psychoanalytic theories, other prominent writers from Vienna were also radically reconceiving sexuality and gender. In this probing new study, David Luft recovers the work of three such writers: Otto Weininger, Robert Musil, and Heimito von Doderer. His account emphasizes the distinctive intellectual world of liberal Vienna, especially the impact of Schopenhauer and Nietzsche in this highly scientific intellectual world. According to Luft, Otto Weininger viewed human beings as bisexual and applied this theme to issues of creativity and morality. Robert Musil developed a creative ethics that was closely related to his open, flexible view of sexuality and gender. And Heimito von Doderer portrayed his own sexual obsessions as a way of understanding the power of total ideologies, including his own attraction to National Socialism. For Luft, the significance of these three writers lies in their understandings of eros and inwardness and in the roles that both play in ethical experience and the formation of meaningful relations to the world, a process that continues to engage artists, writers, and thinkers today. *Eros and Inwardness in Vienna* will profoundly reshape our understanding of Vienna's intellectual history. It will be important for anyone interested in

Austrian or German history literature or philosophy **Psychoanalysis in Its Cultural Context** Edward Timms, Ritchie Robertson, 1992 Broadens understanding of the origin of psychoanalysis by looking past Freud's version to the opinions of his dissenting followers and forgotten adversaries and to the social milieu of the time The articles review essays and book reviews are for specialized researchers in the history of science No index Distributed by Columbia U Press Annotation copyright by Book News Inc Portland OR
