**Album For The Young** Chester Music, 2014-09-16 Album For The Young features 64 classic Piano pieces inspired by the spirit of childhood From Johannes Brahms unashamedly lyrical Wiegenlied through the more cerebral approach of Schumann's album *Für die Jugend* and the works of contemporary composers such as Lutoslawski and Richard Rodney Bennett the music contained in this collection offers many contrasting approaches to the idea of music for the young Great composers down the ages have been consistently attracted to writing albums about or for the young Some pieces are suitable for children to play and some are drawn from the nostalgic memory of childhood innocence Here is a unique collection to treasure reflecting the variety of both their emotional approaches and the richness of their creative responses

**Robert Schumann** John Daverio, 1997-04-10 Forced by a hand injury to abandon a career as a pianist Robert Schumann went on to become one of the world's great composers Among many works his Spring Symphony 1841 Piano Concerto in A Minor 1841 1845 and the Third or Rhenish Symphony 1850 exemplify his infusion of classical forms with intense personal emotion His musical influence continues today and has inspired many other famous composers in the century since his death Indeed Brahms in a letter of January 1873 wrote The remembrance of Schumann is sacred to me I will always take this noble pure artist as my model Now in Robert Schumann Herald of a New Poetic Age John Daverio presents the first comprehensive study of the composer's life and works to appear in nearly a century Long regarded as a quintessentially romantic figure Schumann also has been portrayed as a profoundly tragic one a composer who began his career as a genius and ended it as a mere talent Daverio takes issue with this Schumann myth arguing instead that the composer's entire creative life was guided by the desire to imbue music with the intellectual substance of literature A close analysis of the interdependence among Schumann's activities as reader diarist critic and musician reveals the depth of his literary sensibility Drawing on documents only recently brought to light the author also provides a fresh outlook on the

relationship between Schumann's mental illness which brought on an extended sanitarium stay and eventual death in 1856 and his musical creativity Schumann's character as man and artist thus emerges in all its complexity The book concludes with an analysis of the late works and a postlude on Schumann's influence on successors from Brahms to Berg This well researched study of Schumann interprets the composer's creative legacy in the context of his life and times combining nineteenth century cultural and intellectual history with a fascinating analysis of the works themselves The National Union Catalog, Pre-1956 Imprints ,1977 Catalog of Copyright Entries, Third Series ,1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Popular Classics for Violin and Piano** Bodewalt Lampe, Stephanie Chase, 2013-05-22 This rare collection features violin part and separate piano reduction of 25 works by Brahms Dvorak Handel Herbert Saint Saens Schubert Schumann Mendelssohn Massenet Elgar and others Suitable for intermediate level violinists this is an ideal edition for students teachers hobbyists and professionals to use for practice instruction and recitals Contents include Dvorak's Humoresk Anton Rubinstein's Melody in F Mendelssohn's Spring Song Schubert's Serenade Hungarian Dance No 5 by Brahms Love's Greeting by Elgar and Handel's Largo from Xerxes Additional melodies include Massenet's Elegie Intermezzo from Mascagni's Cavalleria Rusticana Saint Saens The Swan and more than a dozen others **Dictionary Catalog of the Music Collection** New York Public Library.
