inherited from Byzantium and the Roman Empire After the fall of Byzantium and the expansion of Ottoman rule throughout the Balkan Peninsula the Romanian principalities became the most important depository of the Byzantine heritage It was here that this tradition was preserved having been passed on to the Romanians of the Middle Ages by their ancestors From here this heritage continued to spread throughout Europe and influence European society and culture creating the historical phenomenon that the great Romanian historian Nicolae Iorga would refer to as Byzantium after Byzantium The monasteries and painted churches of Northern Moldavia stand today as true revelations of Byzantium This full color album is written and photographed by Alan Ogden the author of *Romania Revisited On the Trail of English Travellers 1602 1941* and *Fortresses of Faith A Pictorial History of the Fortified Saxon Churches of Romania* both published by the Center for Romanian Studies The author provides a comprehensive introduction discussing the art and architecture of the monasteries and painted churches of Northern Moldavia Each church is then presented separately in words and pictures to reveal its own unique history and artistic beauty Also included is an introduction to the history of Moldavia and Romanian lands during the Middle Ages by Kurt W Treptow a noted specialist on Romanian history and original illustrations by renowned artist Octavian Ion Penda
