The Postmodern Bible George Aichele, Fred W. Burnett, Robert M. Fowler, David Jobling, Tina Pippin, Wilhelm Wuellner, Bible and Culture Collective, 1995-01-01 The burgeoning use of modern literary theory and cultural criticism in recent biblical studies has led to stimulating but often bewildering new readings of the Bible This book argued from a perspective shaped by postmodernism is at once an accessible guide to and an engagement with various methods theories and critical practices transforming biblical scholarship today Written by a collective of cutting edge scholars with each page the work of multiple hands The Postmodern Bible deliberately breaks with the individualist model of authorship that has traditionally dominated scholarship in the humanities and is itself an illustration of the postmodern transformation of biblical studies for which it argues The book introduces illustrates and critiques seven prominent strategies of reading Several of these interpretive strategies rhetorical criticism structuralism and narratology reader response criticism and feminist criticism have been instrumental in the transformation of biblical studies up to now Many feminist and womanist criticism ideological criticism poststructuralism and psychoanalytic criticism hold promise for the continued transformation of these studies in the future Focusing on readings from both the Hebrew Bible and the New Testament this volume illuminates the current multidisciplinary debates emerging from postmodernism by exposing the still highly contested epistemological political and ethical positions in the field of biblical studies

**Reconsidering the Date and Provenance of the Book of Hosea** James M. Bos, 2013-04-11 This study argues that the book of Hosea ought to be understood and read as a text that was composed in Persian period Yehud rather

than in eighth century Israel The author challenges the traditional scholarship and emphasizes that there is the evidence to suggest that the book should be viewed as a Judahite text a book that was composed in the late sixth or early fifth century B C E Bos provides an overview of the state of prophetic research as well as a discussion of genre and the generation of prophetic books linguistic dating and provenance and a survey of Hosea research Bos discusses various aspects of the book of Hosea that aim to prove his argument the book was composed in Persian period Yehud the anti monarchical ideology of the book the dual theme of Exile and Return which is consistent with the discourse found in other Judahite books dating to the sixth century and the historiographical traditions *The Book of Job* Carol A. Newsom, 2009-06-29 Carol Newsom illuminates the relation between the aesthetic forms of Job and the claims made by its various characters Her innovative approach makes possible a new understanding of the unity of the book that rejects its dismantling in historical criticism and the flattening of the text that characterizes many final form readings Additionally she rehabilitates the moral perspectives represented by certain voices of the book that modern critics have treated with disdain *The Temple and the Church's Mission* G. K. Beale, 2014-06-10 In this comprehensive study a New Studies in Biblical Theology volume G K Beale traces the theme of the tabernacle and temple across the storyline of Scripture illuminating many texts and connections with related themes such as Eden the cosmos God's presence and Christ and his people **The American Bibliography of Slavic and East European Studies for 1994** Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs *Reading Biblical Texts Together* Tat-Siong Benny Liew, Fernando F. forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics The News-letter of the Society for the Study of Southern Literature Society for the Study of Southern Literature,1987

**The Oxford Handbook of the History of the Book in Early Modern England** Adam Smyth,2023-09-05 The Oxford Handbook of the History of the Book in Early Modern England provides a rich imaginative and also accessible guide to the latest research in one of the most exciting areas of early modern studies Written by scholars working at the cutting edge of the subject from the UK and North America the volume considers the production reception circulation consumption destruction loss modification recycling and conservation of books from different disciplinary perspectives Each chapter discusses in a lively manner the nature and role of the book in early modern England as well as offering critical insights on how we talk about the history of the book On finishing the Handbook the reader will not only know much more about the early modern book but will also have a strong sense of how and why the book as an object has been studied and the scope for the development of the field Interludes and Irony in the Ancestral Narrative Jonathan A. Kruschwitz,2020-12-18 The stories of Hagar Dinah and Tamar stand out as strangers in the ancestral narrative They deviate from the main plot and draw attention to the interests and fates of characters who are not a part of the ancestral family Readers have traditionally domesticated these strange stories They have made them familiar all about the ancestral family Thus Hagar s story becomes a drama of deselection Shechem and the Hivites become emblematic for ancestral conflict with the people of the land and Tamar becomes a lens by which to read providence in the story of Joseph This study resurrects the question of these stories strangeness Rather than allow the ancestral narrative to determine their significance it attends to each interlude s particularity and detects ironic gestures made toward the ancestral narrative These stories contain within them the potential to defamiliarize key themes of ancestral identity the ancestral divine relationship ancestral relations to the land and its inhabitants and ancestral self identity Perhaps the ancestral family are not the only privileged partners of God the only heirs to the land or the only bloodline fit to bear the next generation

**Reception Theory and Biblical Hermeneutics** David Paul Parris,2009-01-01 Traditional methods employed in biblical interpretation involve a two way dialogue between the text and the reader Reception theory expands this into a three way dialogue with the third partner being the history of the text s interpretation and application Most contemporary biblical interpreters have ignored this third partner although recently the need to include the history of interpretation has gained some attention This book explores the hermeneutical resources that reception theory provides for

engaging the history of biblical interpretation as a third dialogue partner in biblical hermeneutics The first third of this work explores the philosophical background and hermeneutical framework that Hans Georg Gadamer provides for reception theory The center of this study examines how this hermeneutical approach is fleshed out by Hans Robert Jauss Jauss not only builds upon Gadamer s work but his literary hermeneutic provides a model applicable to the biblical text and its tradition of interpretation The focus for the final third of the book shifts toward three studies that seek to demonstrate the applicability of various aspects of reception theory to biblical interpretation

**Defending Hope** Justin Langford, 2013-02-01 Most of the current scholarly literature on biblical intertextuality or the use of the Old Testament in the New Testament exhibits a high degree of variance regarding methodological approach The variety of methods employed naturally yields a variety of results Semiotics or the study of signs and how they communicate offers an avenue for approaching intertextual references that focuses on communication theory and meaning In addition semiotic theory provides an overarching methodological framework for examining intertextual references As such a semiotic approach can assist in creating greater methodological consistency and clarity for this nuanced area of New Testament study The purpose of this book is to explore the use of semiotics as a viable approach to biblical intertextuality The intertextual references to Isaiah in 1 Peter will serve as the test case for an application of the method A semiotic approach is promising because it offers a solution to the pervasive problem of methodology in intertextual studies Moreover the investigation of 1 Peter s use of Isaiah provides a fresh perspective on how Peter utilizes this important source in the construction of his epistle and the communication of his message
