Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary New Directions in Theology Today Vol 2 Carl E. Carl E. Braaten,1968 **Gospel-Centered Hermeneutics** Graeme Goldsworthy,2014-06-18 In this new paperback version Graeme Goldsworthy examines the foundations and presuppositions of evangelical belief as it applies to the interpretation of the Bible He then proposes an evangelical hermeneutic rightly centered in the gospel The Case for Christ Lee Strobel,2010-11 The book consists primarily of interviews between Strobel a former legal editor at the Chicago Tribune and biblical scholars such as Bruce Metzger Each interview is based on a simple question concerning historical evidence for example Can the Biographies of Jesus Be Trusted scientific evidence Does Archaeology Confirm or Contradict Jesus Biographies and psychiatric evidence Was Jesus Crazy When He Claimed to Be the Son of God Together these interviews compose a case brief defending Jesus divinity and urging readers to reach a verdict of their own *Resurrection* Hank Hanegraaff,2002-02-06 Citing Bible scripture a scholar passionately defends Christianity s most important doctrine in this award winning book In this definitive work popular Christian apologist Hank Hanegraaff offers a detailed defense of the Resurrection the singularly most important event in history and the foundation upon which Christianity is built Using the acronym F E A T the author examines the four distinctive factual evidences of Christ s resurrection Fatal torment Empty tomb Appearances and Transformation making the case for each in a memorable way that believers can readily use in their own defense of the faith **The Case for Easter** Lee Strobel,2009-12-15 Did Jesus of Nazareth really rise from the dead Of the many world religions only one claims that its founder returned from the grave The resurrection of Jesus Christ is the very cornerstone of Christianity But a dead man coming back to life In our sophisticated age when myth has given way to science who can take such a claim seriously Some argue that Jesus never died on the cross Conflicting accounts make the empty tomb seem suspect How credible is the evidence for and against the resurrection Focusing his award winning skills as a legal journalist on history s most compelling enigma Lee Strobel retraces the startling findings that led him from atheism to belief He examines The Medical Evidence Was Jesus s death a sham and his resurrection a hoax The Evidence of the Missing Body Was Jesus s body really absent from his tomb The Evidence of Appearances Was Jesus seen alive after his death on the cross Written in a hard hitting journalistic style The Case for Easter probes the core issues of the resurrection Jesus Christ risen from the dead superstitious myth or life changing reality The evidence is in The verdict is up to you *Ethics in the Thought of Edward John Carnell* Kenneth W. M. Wozniak,2019-04-25 An ethical analysis of the moral writings of the late Edward John

Carnell former president and professor of ethics and philosophy of religion at Fuller Theological Seminary in Pasadena California Carnell is viewed as one of a handful of mid twentieth century evangelicals who sparked a renaissance of the evangelical concern for both individual salvation and the social order that typified many of the nineteenth century American revivalists Carnell synthesized nineteenth century American revivalism Kierkegaardianism and Niebuhrianism while holding to the ethical authority of the Bible and the life of Jesus Christ *Volume 10, Tome I: Kierkegaard's Influence on Theology* Jon Stewart,2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard s breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard s thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard s published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times *The Doctrine of the Atonement in the Theology of Wolfhart Pannenberg* Herbert Nie,2012-02-13 No detailed description available for *The Doctrine of the Atonement in the Theology of Wolfhart Pannenberg* **Redemptive-Historical Hermeneutics and Homiletics** Yung Hoon Hyun,2015-04-14 This book focuses on redemptive historical hermeneutics and homiletics within New Testament theology This is a valuable legacy of the Reformed tradition despite differences in interpreting and preaching Bible texts that surfaced in Holland 1920s and 1930s and the United States 1970s onwards before influencing Korean Reformed churches The background origin distinctiveness and development of these theological debates is explored and evaluated before the features of redemptive history in Korea are identified The influence of Western redemptive historical scholars on the Korean debate are also analyzed Here is a major and contemporary contribution to reformed historical hermeneutics and homiletics that is relevant for Korean Reformed churches but also for all Reformed churches worldwide *The Torah in Matthew* Francois Viljoen,2018 Jesus relation to the Torah forms a significant motif in Matthew s Gospel This relation is taken up as an important theme in the Sermon on the Mount with its strong Sinai typology and disputes about the Torah are repeated throughout the Gospel Jesus

is depicted as the last and greatest expositor of the Torah When reading this Gospel the central role of the Torah must be seriously considered This present study is furthermore relevant in the light of new insights that have developed in recent years on the diversity and dynamics within the Judaism that confronted Matthew This diversity within Judaism is usually related to Judaist attitudes towards the Torah To complicate this oral traditions were strong and lively Questions arose about the status of the written Scriptures and oral traditions and the authority ascribed to these The Matthean community developed within this turmoil of developing Judaism

Cross Covenant R. Larry Shelton,2006-10-01 Seeking a fresh missionally relevant account of Christ s work Larry Shelton analyzes the biblical notion of sacrifice as a gift alongside other theories of atonement He attempts to show a historical movement away from penal substitutionary theologies toward a Trinitarian relational model

The Appeal to Experience in the Christologies of Friedrich Schleiermacher and Karl Rahner Allen G. Jorgenson,2007 Despite its controversy experience remains a perdurable category for contemporary theology This book explores the appeal to experience in the Christologies of Friedrich Schleiermacher and Karl Rahner two theologians often accused of reducing theology to anthropology by allowing apologetic concerns to dictate their method in their appeal to experience This work demonstrates that both theologians develop their hermeneutics under the tutelage of theology even while using experience as a category by which to provide leverage in apprehending Jesus Both the perils and possibilities of their Christologies are explored in preparation for an account of experience construed sacramentally

Faiths and Faithfulness Nicholas J. Wood,2009-11-01 How are people of faith to be faithful to their various traditions in today s diverse society How may we live together as neighbors and yet remain true to our differing religious convictions How is it possible for the contemporary Christian to confess the Lordship of Jesus Christ in a world of many faiths These are some of the fundamental questions which this volume seeks to explore It offers a critical account of two key twentieth century missionary theologians who attempted to address the issue of pluralism within a confessional framework Bishop Kenneth Cragg and Bishop Lesslie Newbigin This study argues for a reconsideration of the biblical themes of fullness and fulfillment which may offer a way of holding together the traditions of continuity which Cragg shows can never be total and of discontinuity which Newbigin argues can never be absolute In this way the book addresses some of the implications for the development of an appropriate missiological approach to inter faith issues in the twenty first century which requires us to take people of faith seriously but also allows faithfulness to the Christian gospel
