The Early History of God Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel's early religion and tracing the transformation of that deity into the sole god the development of monotheism [Art and Judaism in the Greco-Roman World](#) Steven Fine, 2005-06-08 Publisher Description [The Englishman's Hebrew and Chaldee Concordance of the Old Testament](#) George V. Wigram, 1866 *Being Elisabeth Elliot* Ellen Vaughn, 2023-09-12 WORLD 2023 Books of the Year Winner Elisabeth Elliot was a young missionary in Ecuador when members of a remote Amazonian indigenous people group killed her husband Jim and his four colleagues And yet she stayed in the jungle with her young daughter to minister to the very people who had thrown the spears demonstrating the power of Christ's forgiveness This courageous no nonsense Christian went on to write dozens of books host a long running radio show and speak at conferences all over the world She was a pillar of coherent committed faith a beloved and sometimes controversial icon And while things in the limelight might have looked golden her suffering continued refining her in many different and unexpected ways Her early years related in *Becoming Elisabeth Elliot* traced the transition of a young woman who dealt in certainties to the woman who lived with the unknown Now being Elisabeth Elliot increasingly meant confronting how much she did not understand She sought her reference point beyond her own experiences always pondering what she called the impenetrable mystery of the interplay between God's will and human choices And it is that strange mystery which shaped the rest of her startling life story **The Englishman's Hebrew Concordance of the Old Testament** George V. Wigram, 1996 This new edition of the standard work *The Englishman's Hebrew Concordance of the Old Testament* is an improved and corrected edition that features a new larger format Now coded to Strong's it is invaluable in Bible study for those who do not know Hebrew A new index of out of sequence Strong's numbers allows the reader to quickly and easily locate any word by its Strong's number The Hebrew and English indexes have been retained **The Englishman's Hebrew and Chaldee Concordance of the Old Testament** George Vicesimus Wigram, 1843 [The Englishman's Hebrew and Chaldee concordance of the Old Testament \[based on the unpubl. work of W. in *Exodus* Cordell W Mitchell, 2012 This book will turn on a bright light as you see Exodus with Christ at its center If you are a pastor teacher or preacher hundreds of diamonds await you to pick up and expound on them To the young ministers in third world countries this book was written specifically for you to open your eyes to the seed truths in Exodus of Christ and their fulfillments in the New Testament The greater knowledge you have of the Scriptures the greater will you see in these snapshots Author Cordell W Mitchell assumes your knowledge is wide and has made the subject quick and to the point waiting only your hand to expound on it for your hearers You hold in your hand much of the results of Mitchell s quest in searching for Christ in the Scriptures His snapshots are in every book of the Bible waiting for you to behold His face And beginning at Moses and all the prophets he expounded unto them in all the scriptures the things concerning himself Luke 24 27

Divine Substitution Stephen L. Herring, 2013-11-20 Divine Substitution is an investigation of ancient conceptualizations of divine presence Specifically this thesis investigates the possibility that the ancient Mesopotamian conceptualization of cultic and royal statues thought to actually manifest the presence of gods and kings can likewise be found in ancient Israel Despite the overly pessimistic view of the later biblical authors material objects were almost certainly believed to extend and manifest the presence of God in pre exilic Israel e g standing stones Likewise the later polemics against such cultic concepts demonstrate Israel s familiarity with this type of conceptualization These polemics engaged in the rhetoric of mutilation and destruction of cultic representations the erasure and re inscription of divine names and the rhetorical deconstruction of the specific Mesopotamian rituals thought to transform the dead statue into a living god Though the biblical reflection of these concepts is more often found in the negative commentary regarding foreign cultic practices S Herring demonstrates that these opinions were not universally held At least three biblical texts Gen 1 26f Ex 34 29 34 and Ezek 36 37 portray the conceptualization that material images could manifest the divine presence in positive terms Yet these positive attestations were limited to a certain type of material image humans

Blowing the Lid Off the God-Box Anne Robertson, 2005 What s in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It s a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open *Blowing the Lid Off the God Box* starts with the ministry of Jesus who blew the lid off everyone s God box by constantly challenging his followers with the unexpected Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas
