Bales, 2015-09-01 The Great Chicago Fire of 1871 swallowed up more than three square miles in two days leaving thousands homeless and 300 dead Throughout history the fire has been attributed to Mrs O Leary an immigrant Irish milkmaid and her cow On one level the tale of Mrs O Leary's cow is merely the quintessential urban legend But the story also represents a means by which the upper classes of Chicago could blame the fire's chaos on a member of the working poor Although that fire destroyed the official county documents some land tract records were saved Using this and other primary source information Richard F Bales created a scale drawing that reconstructed the O Leary neighborhood Next he turned to the transcripts more than 1 100 handwritten pages from an investigation conducted by the Board of Police and Fire Commissioners which interviewed 50 people over the course of 12 days The board's final report published in the Chicago newspapers on December 12 1871 indicates that commissioners were unable to determine the cause of the fire And yet by analyzing the 50 witnesses testimonies the author concludes that the commissioners could have determined the cause of the fire had they desired to do so Being more concerned with saving their own reputation from post fire reports of incompetence drunkenness and bribery the commissioners failed to press forward for an answer The author has uncovered solid evidence as to what really caused the Great Chicago Fire **Bibliographic Guide to Maps and Atlases** ,1999 Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet & Eastern Railway Company ,2008 **Outside Magazine's Urban Adventure, Chicago** Lynn Schnaiberg, 2003 The very best Chicagoland spots for running biking kayaking and other outdoor or gym activities are revealed by an ETHS graduate from the class of 1987 **Newcomer's Handbook for Moving to and Living in Chicago** First Books, Mark Wukas, 2004 *Rand McNally StreetFinder* Rand McNally and Company, 1988 Rand McNally Streetfinder Rand McNally and Company, 1991 Rand McNally StreetFinder Rand McNally, Rand McNally and Company, 1988 **Catalog of Copyright Entries, Third Series** ,1960 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Bibliographic Guide to Art and Architecture** New York Public Library.
