Sacred Sites of the Knights Templar (Nipb)
, All across the continent of Europe massive stone monuments erected by a prehistoric culture can be found These megalithic stones resisting centuries of weathering or assaults by modern men are all that remain of a society that has been erased by time

Stonehenge is the most familiar of these megalithic monuments but in fact represents only one of many similar sites Who were the people who built these monuments Why were these stones significant to them

Sacred Sites of the Knights Templar examines sacred megalithic sites across the globe such as Stonehenge and Rennes le Chateau revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar

This revolutionary book offers a new explanation for two main subjects The distribution and meaning of the megalithic monuments of Europe which were constructed to commemorate astronomical events

Genesis of the Grail Kings Laurence Gardner, 2005 Adam and Eve were not the first man and woman on Earth but they were certainly the first of a kind When the Israelites made their exodus from Egypt their spiritual leader was not Moses but Miriam a queen and high priestess of the pharaonic succession

Joseph the father of Jesus was not a humble carpenter but a trained alchemical metallurgist of the highest order These and other contentious facts are disclosed for the first time in this remarkable study of the original kings the early Pendragons the unique royal ancestors of King David and Jesus

Drawing on files and hitherto secret archives of the ancient Dragon Sovereignty *Genesis of the Grail Kings* tells the ultimate story of earthly kingship from its early Mesopotamian foundation It reveals why the Messianic bloodline was so important and explains in detail the true heritage of the Holy Grail

The author draws comparisons throughout between the biblical scripture and the historical documents from which the Old Testament is derived so that a very different and highly controversial picture emerges Here are the documented records of the hermetic Phoenix the Philosophers Stone and the Tables of Testimony records which give stunning insight into active

perilous realm of the Shadow where he is pursued by the Dark God's evil Ring Lords who also search for the Sunspear. The Ring Lords however are not Ciarán's only worry. The Dark God sends one of his First Born a Sha dhul mind slayer into the world to capture him and bring him to the Stone of Tears where he will either accept the Dark God as his Master or be cast into the Well of Souls. As he strives to elude the Shadow Lord's hunters, Ciarán must confront his forbidden love of Danu's tiny priestess RILLSONG. He is further assailed with guilt over his infatuation with the beautiful Shadow Druidess IS NG EL who captures his beloved foster sister KIARA and gives her to the Ring Lords. In the Valley of the Gods he rescues Is ng el and her half Elven Ahati warriors from the deadly Halfsouled Draugr. Joining forces they fight their way through hordes of the near immortal beings to reach the lost city of Gorias where Ciarán claims the Sunspear. Using the ancient weapon's god-like power he destroys the Ring Lords army that pursued him to Gorias killing thousands of warriors and laughing as their dying screams fill his ears. Only then does he realize that the greatest evil he has to overcome is not the Dark God but the darkness that dwells within him. He must both learn to use the enormous power of the Sunspear wisely and keep his Darksoul at bay. If it gains control he will become a creature of shadow a Soultaken.
