Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1995 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service, 1997 *Hope, Community, and Visibility among Venezuelan Migrants at the Juárez-El Paso Border* Corrie Boudreaux, 2025-02-15 Hope Community and Visibility among Venezuelan Migrants at the Ju rez El Paso Border narrates the rise and fall of a migrant camp built by Venezuelans in 2022 in Ciudad Ju rez Mexico after the Biden administration used the pandemic era Title 42 order to stop their entry into the United States Crushed by this sudden change hundreds of migrants purposefully chose this site at the very edge of the border to create a camp motivated by both the fear of conditions in Mexico and the desire to show strength through their publicly visible presence Drawing on her own journalistic coverage of the camp the author shows how migrants grasped and altered the social meaning of the previously vacant space Their relationship with the border demonstrated its dual nature as both a hard line and a perforated gray area As they lived in limbo with no path forward and no way to return home migrants engaged in collective action to maintain the camp and to perform spectacles that would be projected worldwide by professional media workers **Fearless Hope** Serena B. Miller, 2014-04-08 When an Amish woman falls for the New York crime writer who buys her family farm she must decide whether to follow the longings of her heart or the rules of her faith When Hope Yoder loses her husband she is left trying to support her two small children and one on the way however she can She ends up taking a job as a part time housekeeper for the Englisch man who has bought the farm that once belonged to her family Logan Parker is a bestselling crime fiction writer from New York City who accompanies his fianc e on a trip to Holmes County Ohio but the trip takes a strange turn when he sees an Amish farmhouse for sale Intrigued by a strong sense of familiarity he enters the house and is overcome with a feeling of deep peace He s never been to Ohio before but something in this house feels right and he purchases the farm to use as a retreat Something about the peacefulness of the house frees him from the crippling writer s block that threatens to ruin his career and something about the quiet Amish woman who comes to clean his home makes him less and less excited about returning to New York and the woman he is supposed to marry Slowly Logan and Hope are drawn together and when they discover that they share a strange past they must decide how that affects their future Will Hope overcome her fear of embracing love again **Hope** Richard Zoglin, 2014-11-04 Revelatory fascinating The New York Times The first definitive

biography of Bob Hope featuring exclusive and extensive reporting that makes the persuasive case that he was the most important entertainer of the twentieth century With his topical jokes and his all American brash but cowardly screen character Bob Hope was the only entertainer to achieve top rated success in every major mass entertainment medium of the century from vaudeville in the 1920s all the way to television in the 1950s 1960s and 1970s He virtually invented modern stand up comedy Above all he helped redefine the very notion of what it means to be a star a savvy businessman an enterprising builder of his own brand and a public spirited entertainer whose Christmas military tours and unflagging work for charity set the standard for public service in Hollywood As Richard Zoglin shows in this entertaining and important book The Wall Street Journal there is still much to be learned about this most public of figures from his secret first marriage and his stint in reform school to his indiscriminate womanizing and his ambivalent relationships with Bing Crosby and Johnny Carson Hope could be cold self centered tight with a buck and perhaps the least introspective man in Hollywood But he was also a tireless worker devoted to his fans and generous with friends Scrupulously researched likely definitive and as entertaining and as important to an understanding of twentieth and twenty first century pop culture as its subject once genuinely was Vanity Fair Hope is both a celebration of the entertainer and a complex portrait of a gifted but flawed man A wonderful biography says Woody Allen For me it s a feast **Annual report** Canada. Department of Marine,1895
