Shepherding The Church Effective Spiritual Leadership In A Changing Culture:

Shepherding the Church Joseph M. Stowell, 1997-03-11 Times are changing The Truth never will It s tough to be a pastor today Christians who stand up for what God has said are disregarded and labeled right wing extremists Political correctness and tolerance of anything but godly character is the norm So how do ministers lead God s people in this pagan culture How do they shepherd the flock as the lights fade dimmer and the nights grow colder This book is not about programs It not about developing the best techniques for numerical growth Rather it is a discussion of the heart of the matter the heart of the shepherd In *Shepherding the Church* Dr Stowell takes a look at what it takes to be a truly effective leader from the inside out He encourages today s leaders to focus on their own character spiritual growth and spiritual gifts Examine some heart issues like how do I prove to my congregation that I m trustworthy how do I lead by loving how do I overcome insecurities how can I transform lives with my preaching how do I lead my flock by the way I live my life how do I persevere Even in these tough times effective leadership is possible Learn from Dr Stowell as he encourages today s leaders to keep their eyes on the non negotiables of Christian ministry

Shepherding the Church Joseph M. Stowell, 1997 Turn your focus toward the heart of the matter the heart of the Shepherd Learn to overcome your insecurities Transform lives with your preaching Lead by loving and how you live your life
