Sherlock Holmes and the Adler Papers John Hall, 2004 When Sherlock Holmes recovered a compromising photograph and saved the reputation of the King of Bohemia he thought the case was closed However the attractive villainess Irene Adler now a respectable married woman summoned Holmes to further assist the King who was now being threatened by even more determined enemies Holmes and Watson travel to the isolated Kingdom of Bohemia being imprisoned by friend and foe alike before any solution is in sight Imagination Theatre's Sherlock Holmes David Marcum, Lawrence Albert, John Patrick Lowrie, M. J. Elliott, Dennis Bateman, Rick May, David Natale, Gareth Tilley, Matthew Booth, J. R. Campbell, Jeremy B. Holstein, Roger Silverwood, Teresa Collard, Jim French, John Hall, Steven Philip Jones, Iain McLaughlin, Claire Bartlett, Daniel McGachey, 2017-11-27 2017 is the 130th anniversary of the publication of *A Study in Scarlet* the first recorded adventure of Sherlock Holmes and Dr John H Watson What an amazing journey it s been In addition to the pitifully few sixty tales originally presented in *The Canon* published between 1887 and 1927 there have been literally thousands of additional Holmes adventures in the form of books short stories radio and television episodes movies manuscripts comics and fan fiction And yet for those who are true friends and admirers of the Master Detective of Baker Street where it is always 1895 or a few decades on either side of that these stories are not enough Give us more In March 1998 legendary radio dramatist producer writer director and founder of Imagination Theatre listened to this request and broadcast the first of an astounding number of Holmes radio shows over their United States network of stations In the intervening years 128 original Holmes episodes and one recently found lost episode were broadcast before Imagination Theatre closed its doors in early 2017 Additionally the cast and crew performed their version of the entire Holmes Canon between 2005 and 2016 featuring the same actors as Holmes and Watson John Patrick Lowrie and Larry Albert respectively as well as having every script adapted by the same author M J Elliott something that has never been done before Astonishingly this great number of episodes were written by a relatively small group of dramatists Imagination Theatre s departure from the airwaves left a great void both in terms of those seeking movies for your mind but also those wanting new quality stories about the true Sherlock Holmes set in the correct period and featuring tales that truthfully represented Holmes and Watson This book serves both to honor Jim French and his lifetime of achievements and also Mr Sherlock Holmes along with the dramatists cast and crew who brought the new adventures to life Inside this volume you will find a script by every one of the authors who wrote about Holmes for Imagination Theatre representing some of the finest new Holmesian storytelling to be found and honoring the man described by Watson as the best and wisest whom I have ever known Featuring fourteen scripts from every writer who contributed to the series run of Imagination Theatre s *Sherlock Holmes* **The MX Book of New Sherlock Holmes Stories - Part I** David Marcum, 2020-09-08 This is part one of a record breaking ongoing collection bringing together over sixty of the world s leading Sherlock Holmes authors All the stories within this fantastic collection are traditional Sherlock Holmes pastiches This

Sherlock & Irene Chris Chan,2020-08-18 To Sherlock Holmes Irene Adler is the woman In A Scandal in Bohemia she defeated him in his attempt to retrieve an incriminating photograph of the King of Bohemia Or did she In the tradition of The Great Game this book will explore the unanswered questions in A Scandal in Bohemia illustrating that there is much more to the case than is generally suspected Why did Holmes make so many elementary mistakes Was Holmes really a cocaine user Was the King of Bohemia hiding a dark secret Why was the photograph so dangerous Why was Irene Adler in such a hurry to get married Was Irene Adler really a blackmailer These and more questions will be answered by studying the clues and contradictions in the original story which lead to a shocking conclusion *A Proof Reader's Adventures of Sherlock Holmes* Nick Dunn-Meynell,2021-03-25 Not your typical Sherlock Holmes adventures Nick Dunn Meynell s new collection A Proof Reader s Adventures of Sherlock Holmes contains twelve sequels of sorts to each of the original stories in The Adventure of Sherlock Holmes which first appeared in The Strand from 1891 to 1892 Within this book you ll find a series of conversations between Holmes and Watson each immediately taking place at the conclusion of one of the Adventures These aren t typical Sherlockian pastiches the reader won t find new investigations in the traditional manner Rather these stories take the inconsistencies and contradictions to be found in those original twelve Canonical Adventures and pull them apart twist them double back on them and construct them into something that s sly and new and thoroughly thought provoking These efforts are dense with material and are filled with Easter Eggs for the perceptive Sherlockian The author s subtle sense of humour and affection for Holmes and Watson peeks through at every turn and there are references in each of the individual stories that refer to the others within this collection giving hints of a bigger narrative at play Reading these cannot and should not be hurried They must be pondered And in addition to the Sherlockian aspects Mr Dunn Meynell has managed to weave references to works of art from London s National Gallery into each story pointing out their own hidden or ignored aspects symbols and meanings There s much to enjoy and ponder about these stories Some will catch you by surprise and make you laugh out loud while others will leave you painfully aware of contradictions and mistakes that have been previously ignored in The Canon These aren t typical Holmes adventures but they are worth the time to savour and explore Enjoy
