Shield Of David An Illustrated History:

Shield of David Murray Rubenstein, Richard Martin Goldman, 1978 Beretter om det israelske flyvevæbns historiske udvikling samt dets indsats under forskellige krige og konflikter **A Visual History of the Great Civilizations** Alberto Hernández Pamplona, 2016-12-15 This captivating book offers young readers a perspective into some of the greatest civilizations in history With stunning illustrations and photographs of artifacts from antiquity readers will learn about early civilizations such as Mesopotamia and the kings of Israel civilizations from classical antiquity such as dynastic China and the Persian empire and civilizations of the Middle Ages such as the Viking explorers and the Incas to name a few Adding to the visual experience are timelines that put the history into perspective This book is a must read for any student of ancient history **The Liberty Incident Revealed** A. Jay Cristol, 2013-09-15 The Liberty Incident Revealed is the complete and final story about the Israeli Air Force and Navy attack on the USS Liberty during the Six Day War in June 1967 Cutting through all of the controversy and conspiracy theories about Israel's deadly attack Cristol revises his well regarded book about the event with an expanded and in depth analysis of all of the sources including the released tapes of the National Security Agency NSA intercepts When Cristol's first book on the subject The Liberty Incident was published in 2002 there remained many unanswered questions about Israeli Air Force audio tapes The NSA intercepts tapes had not yet been released in 2002 Some conspiracy theorists alleged the NSA tapes would prove that the Israeli attack was premeditated Cristol's successful Freedom of Information Act lawsuit against the NSA while resulting in the release of those tapes has been greeted by anti Israel sources insisting that the NSA tapes are fraudulent and are part of a larger conspiracy to deceive the American public After a quarter of a century of intensive research in both Israel and the U S researching all relevant archives from NSA CIA and the State Department reviewing both formerly classified and open source documents and interviewing all then living individuals directly involved in the incident the factual and documentary record is clear Cristol maintains that despite the fact that all of the official records and transcripts are now available for review the truth has proven to be of no interest to those individuals and organizations who are motivated by hidden agendas wish to keep conspiracy theories alive or are trying to feed sensational stories to the media Documenting his findings in six new chapters Cristol establishes definitively that the Israeli attack was a tragic mistake and presents a convincing argument that will be regarded as the final chapter in the long simmering debate about this incident **An Illustrated History of the Counties of Rock and Pipestone, Minnesota** Arthur P. Rose, 1911 **National Geographic Essential Visual History of the Bible** , 2008 An illustrated history of the Bible provides detailed coverage of the Old and New Testaments from the patriarchs to the epistles of Paul and includes timelines and informational sidebars **Lavi** John W. Golan, 2016 The largest weapons development effort ever undertaken by the State of Israel the Lavi fighter program envisioned a new generation of high performance aircraft Controversially Israel Aircraft Industries intended to develop and manufacture the fighters in Israel

with U S financial support The sophisticated planes developed in the mid 1980s were unique in design and intended to make up the majority of the Israeli Air Force Though a great deal of prestige and money was staked developmental costs increased and doubts arose as to whether the Lavi could be the warplane it was meant to be Eventually the program became a microcosm for the US Israel relationship and of Israeli society itself a study in the ambitions fears and internal divisions that shaped them The fighter never made it to operational service Despite the passage of time since its cancelation the Lavi remains a controversial subject within Israeli society to this day Until now the full breadth and significance of the Lavi story has never been told Lavi Israel s Lost Winged Lion traces the evolution of the Lavi fighter from its genesis in the 1970s to its demise in August of 1987 Painting the era s political landscape on both sides of the ocean author John Golan examines the roles of such Israeli military icons and political leaders as Ezer Weizman Ariel Sharon Menachem Begin and Yitzhak Rabin On the American side Golan traces the evolution of U S government policy towards the program detailing a complex nuanced picture of the U S foreign policy apparatus and of U S Israel relations in general from President Reagan s public endorsement of the program on the White House lawn to Defense Secretary Caspar Weinberger s unremitting attempts to cancel the program in succeeding years
