New Essays on Call It Sleep Hana Wirth-Nesher,1996-06-13 A 1996 collection of critical essays on Henry Roth s *Call It Sleep* *Black-Jewish Relations in African American and Jewish American Fiction* Adam Meyer,2002 Including 410 entries drawn from over 100 years of novels short stories plays and children s and young adult literature this bibliography demonstrates both the extent and the richness of the fiction which has been written about Black Jewish relations in America thus enhancing our view of American ethnic literature as a whole **Modernism on File** C. Culleton,2008-02-04

Modernism on File Writers Artists and the FBI 1920 1950 brings together important new scholarship focused on J Edgar Hoover s FBI and its institutional presence in shaping and directing American print film and art culture From Harlem to Hollywood Hoover and his bureau workers were bent on decontaminating America s creativity and this collection looks at the writers and artists who were tagged tracked and in some cases trapped by the FBI Contributors detail the threatening aspects of political power and critique the very historiography of modernism acknowledging that modernism was on trial during those years **American Literature from the 1850s to 1945** Britannica Educational Publishing,2010-04-01

Deviating from the romanticism of earlier works American literature that emerged after the mid 19th century adopted a distinct realism and an often critical view of American society With penetrating analyses writers such as Henry Adams and Upton Sinclair exposed fundamental flaws in government and industry while Mark Twain and H L Mencken incisively satirized social ills such as prejudice and intolerance Readers will encounter these and other great minds whose fluid pens challenged the status quo *Strangers at Home* Rita Keresztesi,2005-01-01 *Strangers at Home* reframes the way we conceive of the modernist literature that appeared in the period between the two world wars This provocative work shows that a body of texts written by ethnic writers during this period poses a challenge to conventional notions of America and American modernism By engaging with modernist literary studies from the perspectives of minority discourse postcolonial studies and postmodern theory Rita Keresztesi questions the validity of modernism s claim to the neutrality of culture She argues that literary modernism grew out of a prejudiced racially biased and often xenophobic historical context that necessitated a politically conservative and narrow definition of modernism in America With the changing racial ethnic and cultural makeup of the nation during the interwar era literary modernism also changed its form and content Contesting traditional notions of literary modernism Keresztesi examines American modernism from an ethnic perspective in the works of Harlem Renaissance immigrant and Native American writers She discusses such authors as Countee Cullen Nella Larsen Zora Neale Hurston Anzia Yezierska Henry Roth Josephina Niggli Mourning Dove D Arcy McNickle and John Joseph Mathews among others *Strangers at Home* makes a persuasive argument for expanding our understanding of the writers themselves

as well as the concept of modernism as it is currently defined

Members of the Tribe Rachel Rubinstein, 2010-03-15 A history of representations of American Indians in Jewish literature and popular media In *Members of the Tribe* Native America in the Jewish Imagination author Rachel Rubinstein examines interventions by Jewish writers into an ongoing American fascination

with the imaginary Indian Rubinstein argues that Jewish writers represented and identified with the figure of the American Indian differently than their white counterparts as they found in this figure a mirror for their own anxieties about tribal and national belonging Through a series of literary readings Rubinstein traces a shifting and unstable dynamic of imagined Indian Jewish kinship that can easily give way to opposition and especially in the contemporary moment competition In the first chapter *Playing Indian Becoming American* Rubinstein explores the Jewish representations of Indians over the nineteenth century through narratives of encounter and acts of theatricalization In chapter 2 *Going Native Becoming Modern* she examines literary modernism's fascination with the Indian poet and a series of Yiddish translations of Indian chants that appeared in the modernist journal *Shriftn* in the 1920s In the third chapter *Red Jews* Rubinstein considers the work of Jewish writers from the left including Tillie Olsen Michael Gold Nathanael West John Sanford and Howard Fast and in chapter 4 *Henry Roth Native Son* Rubinstein focuses on Henry Roth's complicated appeals to Indianness The final chapter *First Nations* addresses contemporary contestations between Jews and Indians over cultural and territorial sovereignty in literary and political discourse as well as in museum spaces As Rubinstein considers how Jews used the figure of the Indian to feel at home in the United States she enriches ongoing discussions about the ways that Jews negotiated their identity in relation to other cultural groups Students of Jewish studies and literature will enjoy the unique insights in *Members of the Tribe*
