tenacious in the face of life's surprises **Resurrectionists** Russell Working, 1987 *Invite* Glen Pourciau, 2008-10 Intense inner and outer monologues resonate through the lives of Glen Pourciau's characters We hear the voice of a man who will not stop talking the voice of a man who does not want to talk the voice of a man stunned into silence by his sudden awareness of a desire he did not know he felt and the voice of a man struggling to accept his imminent death Inhabiting an outwardly bland landscape that overlays internal questions and recurring confusion the narrators of these ten intensely felt stories strive to understand their varied predicaments Conflicts with neighbors arise troubling memories return suspicions and fears lead people into isolated corners as distances open up inside them and around them And in those open spaces the sometimes humorous sometimes obsessive voices continue their quest In the final story Deep Wilderness the voices seem to fragment as a family comes apart While his characters struggle to come to terms with their inner wilderness Glen Pourciau's spare riveting voice maintains a constant presence *Invite* is a debut collection that speaks volumes *The Iowa Alumni Review*, 1983
