

A black and white photograph of a large ship, likely a cargo vessel, being lifted by a crane in a shipyard. The ship is positioned vertically, with its bow at the top and stern at the bottom. The ship's hull is dark, and its superstructure is visible. The crane's arm is on the left, and the ship is suspended by chains. The shipyard's infrastructure, including cranes and scaffolding, is visible in the background. The sky is cloudy.
