master of suspense and this new high stakes thriller Going Dark shows why as Thorn embarks on a mission to save his

scattered around the country These extremists take a by any means necessary approach to defending the planet In the last
decade ELF has been responsible for close to a hundred million dollars in damage mainly through arson The FBI ranks them
along with other eco radicals as the number one homegrown terrorist threat Flynn Moss Thorn s newly discovered son has
naively fallen in with an ELF cell in Miami which has its sights on Turkey Point the largest nuclear power plant in the state
This ELF group has concocted a non violent plan to shut the nuke plant down nothing more than a huge publicity stunt to call
attention to the dangers of nuclear power But unbeknownst to some in the group there are other members with a far more
violent scheme in mind to cause a radioactive catastrophe rivaling Chernobyl or Fukushima With a growing sense of dread
about the group s true intentions Flynn summons Thorn to help him escape from Prince Key the remote island off the shores
of Miami where the ELF group is camped Unable to refuse this son he barely knows Thorn heads off to Prince Key and
quickly reaches a frightening realization There is only one way to save his son s life He must join with the eco terrorists and
