Short History Of The Civil War At Sea

Aaron Sheehan-Dean

Short History Of The Civil War At Sea:

A Short History of the Civil War at Sea Spencer C. Tucker, 2001-10-01 While fighting on land continues to hold center stage recently much more attention has been focused on the Civil War at sea And for good reason Naval operations decided the outcome of the war as the North exploited its significant naval and maritime advantage to turn the war on land in its favor In A Short History of the Civil War at Sea Spencer C Tucker eminent naval and military historian and endowed chair at the Virginia Military Institute provides a concise and lively overview of the blue water Civil War or fighting on the seas and attacks directed from the sea This volume covers the drama of significant naval battles like the first clash of ironclads at Hampton Roads the Union capture of New Orleans fierce action in the Charleston Harbor and the Battle of Mobile Bay A Short History of the Civil War at Sea also discusses important themes like the technological revolution in naval warfare the impact of naval operations on U S and Confederate foreign relations the Confederate use of torpedoes submarines and commerce raiders and the Union s successful strategy of blockade The struggle at sea might not have been as bloody as the fighting on land but it was every bit as interesting and included a colorful cast of characters like David G Farragut the North s highest ranking and most accomplished naval officer and Confederate naval officer commerce raider and Rebel Seadog Raphael Semmes And the advances of naval technology during the Civil War are fascinating from the use of new Dahlgren guns to the design and redesign of the ironclads to the extensive use of mines and the development of submarines Prof Tucker covers it all in this new book and his knowledge and skills as a storyteller shine A Short History of the Civil War at Sea will entertain and inform students scholars and Civil War enthusiasts A Short History of the Civil War at Sea Spencer Tucker, 2005 **A Short History of the Civil War at Sea** Spencer Tucker, 2002 Tucker chair of military history at the Virginia Military Institute relates the stories of significant naval battles of the Civil War and highlights the roles of colorful characters involved He discusses themes such as the technological revolution in naval warfare the Confederate use of torpedoes and submarines and the Union s successful strategy of blockade B w historical illustrations are included Tucker has written or edited 16 books on naval and military history and has written two other works on the Civil War at Sea Annotation copyrighted by Book News Inc Portland OR A Short History of The Civil War DK, 2020-05-05 Explore the fascinating history of America s bloodiest ever conflict Combining expert historical insight with the eyewitness accounts of soldiers and civilians A Short History of the Civil War offers a brilliant summary of the key events and wider context of the hostilities between North and South Profiles of influential military and political leaders and thought provoking features on themes and experiences from the evils of slavery to the treatment of wounded soldiers bring the story dramatically to life This book also features clear timelines that give an instant overview of the developments during the tumultuous war Richly illustrated with a wealth of original artifacts weaponry and equipment photography and maps this unique combination of imagery provides the most accessible episode by episode account ever **The A to Z of the Civil War and**

Reconstruction William L. Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history

American Civil War Justin D. Murphy, 2019-06-24 By providing detailed analyses of Civil War primary sources this book will help readers to understand the history of the bloodiest of all American conflicts This meticulously curated collection of primary source documents covers every aspect of the American Civil War from its origins to its bloody engagements all the way through the Reconstruction period With approximately 300 primary sources this comprehensive set includes orders and reports of significant battles political debates and speeches legislation court cases and literary works from the Civil War era The documents provide insight into the thinking of all participants drawing upon a vast range of sources that offer both a Northern and Southern perspective The book gives equal treatment to the Eastern and Western Theaters and to Union and Confederate sources and the primary sources are presented in chronological order making it easy for readers to compare and contrast documents as the key events of the conflict unfold Each primary source begins with an introduction that sets the document in its proper context and concludes with an analysis of the document that will help students to understand the document's significance

A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861-1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

Robert E. Lee and the Fall of the Confederacy, 1863-1865 Ethan S. Rafuse, 2009-10-16 In this reexamination of the last two years of Lee's storied military career Ethan S Rafuse offers a clear informative and insightful account of Lee's ultimately unsuccessful struggle to defend the Confederacy against a relentless and determined foe This book provides a comprehensive yet concise and entertaining narrative of the battles and campaigns that highlighted

this phase of the war and analyzes the battles and Lee's generalship in the context of the steady deterioration of the Confederacy's prospects for victory

A Companion to the U.S. Civil War Aaron Sheehan-Dean, 2014-02-05 A Companion to the U.S. Civil War presents a comprehensive historiographical collection of essays covering all major military, political, social, and economic aspects of the American Civil War 1861-1865. Represents the most comprehensive coverage available relating to all aspects of the U.S. Civil War. Features contributions from dozens of experts in Civil War scholarship. Covers major campaigns and battles and military and political figures as well as non-military aspects of the conflict such as gender, emancipation, literature, ethnicity, slavery, and memory

Historical Dictionary of the Civil War and Reconstruction William L. Richter, 2004-05-17 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated. There was a very real possibility that the union could have been sundered, resulting in a very different American history and probably world history. But the union was held together by tough and determined leaders and by the economic muscle of the North. While not always a period to be proud of, it did have higher goals and compelling ends. This one-volume dictionary with more than 800 entries covering the significant events, persons, politics, and economic and social themes in the U.S. Civil War and Reconstruction is a research tool for all levels of readers from high school and up. The extensive chronology, introductory essay, dictionary entries, and comprehensive bibliography introduce and lead the reader through the military and non-military actions of one of the most pivotal events in American history. Substantial coverage is given to the time that followed the Civil War Reconstruction. This was a period construed in many different ways by the individuals involved, many of whom had little concern for the impact of their acts on others and even fewer who were interested in the plight of the newly enfranchised blacks for whom the war had supposedly been fought. While the states were once again united, many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government. No matter how one looks at it, the Civil War continues to affect the politics, constitutionalism, and societal norms of the United States in an irrevocable way and it probably always will. It was a very personal war, not fought by machines but by men affecting countless Americans who have one or more Civil War veterans hidden in their family trees. It's a war modern enough to be relevant to today's military interests yet gentlemanly enough to be

Eventually, you will utterly discover a extra experience and achievement by spending more cash. nevertheless when? pull off you assume that you require to get those every needs gone having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more as regards the globe, experience, some places, like history, amusement, and a lot more?

It is your enormously own era to enactment reviewing habit. in the course of guides you could enjoy now is **Short History Of The Civil War At Sea** below.
