Lee, 2019-08-21 The Koreans according to the Chinese chronicles are the people who enjoy singing and dancing and who regaled their gods with dance and song Since then poetry has been an essential part of Korean life and has been regarded as the highest of the arts In this first comprehensive anthology of Korean poetry in English first published in 1974 Peter Lee has selected and translated a wide variety of poems ranging from the Silla Dynasty in 57 BC to the middle of the twentieth century The poems chosen reflect not only the native Korean tradition but also the great tradition of Chinese poetry They often possess a deep lyrical quality many are rich in religious overtones or derive their beauty from contemplation of nature and through many of the poems runs the feeling of the closeness of Korean life to the earth **Poems** Henry Wotton, Walter Raleigh, J. Hannah, 2024-04-24 Reprint of the original first published in 1845 **Poems** Thomas Watson, 1870 **Poems** Alexander Brome, 1982-12-15 An edited collection of poems by Alexander Brome in which Roman Dubinski has restored him to view [Selected Poems of Vladimir Nabokov](#) Vladimir Nabokov, 2012-05-29 Though we know Vladimir Nabokov as a brilliant novelist his first love was poetry This landmark collection brings together the best of his verse including many pieces that have never before appeared in English These poems span the whole of Nabokov s career from the newly discovered *Music* written in 1914 to the short

playful *To V ra* composed in 1974 Many are newly translated by Dmitri Nabokov including *The University Poem* a sparkling novel in verse modeled on Pushkin's *Eugene Onegin* that constitutes a significant new addition to Nabokov's oeuvre Included too are such poems as *Lilith* an early work which broaches the taboo theme revisited nearly forty years later in *Lolita* and *An Evening of Russian Poetry* a masterpiece in which Nabokov movingly mourns his lost language in the guise of a versified lecture on Russian delivered to college girls The subjects range from the Russian Revolution to the American refrigerator taking in on the way motel rooms butterflies ice skating love desire exile loneliness language and poetry itself and the poet whirls swiftly between the brilliantly painted facets of his genius wearing masks that are by turns tender demonic sincere self-parodying shamanic visionary and ingeniously domestic

Poems by Sir Henry Wotton, Sir Walter Raleigh and Others

Sir Henry Wotton, 1845 *Bearing the weight of the world Exploring Maternal Embodiment* Alys Einion, 2018-10-01 The maternal body is a site of contested dynamics of power identity experience autonomy occupation and control Representations of the maternal body can misrepresent the childbearing and mothering form variously often as monstrous idealized limited scrutinized or occupied whilst dominant discourses limit motherhood through social devaluation The maternal body has long been a hypervisible artifact at once bracketed out in the interest of elevating the contributions of sperm carriers or fetal status and regarded with hostility and suspicion as out of control Such arguments are deployed to justify surveillance mechanisms medical scrutiny and expectation of self-discipline

The Collected Poems of Muriel Rukeyser Janet E. Kaufman, Anne F. Herzog, Jan Heller Levi, 2005-05-22 Muriel Rukeyser held a visionary belief in the human capacity to create social change through language She earned an international reputation as a powerful voice against enforced silences of all kind against the violence of war poverty and racism Her eloquent poetry of witness of the Scottsboro Nine the Spanish Civil War the poisoning of the Gauley Bridge laborers split the darkness covering a shameful world In addition to the complete texts of her twelve previously published books this volume

also features new poems discovered by the editors Rukeyser's translations including the first English translations of Octavio Paz's work early work by Rukeyser not previously published in book form and the controversial book length poem Wake Island An introduction by the editors traces Rukeyser's life and literary reputation and complements discerning annotations and textual notes to the poems *Love Is Lust First* David Amadeus Panckeri, 2008-10-15 Gabriel Garcia Marquez is right Unrequited love is what moves the earth and the sky for me And maybe for you I hope not all of your love remains unrequited To gain anything worthwhile in life one has to risk much This book is an autobiography which delves into the pain as well as the nobility of the pursuit of love which can only occur once in a lifetime This book contains 55 poems all of them springing from the deepest emotions of my life This work centers on passion in its many guises from love to lust The purpose of this book is to demonstrate that there can be no limits to desire and no regrets unless a lover does not follow his/her heart For the fortunate person whose love has been taken to the limits and then been fully reciprocated finally by a lover this book might not make a lot of sense To those of us who are still believers in finding our missing halves I hope this book inspires To those who have become discouraged rejected or too timid to listen to your hearts I ask you to read this book and stay open to the possibility that your lover could walk into your life as early as the next minute Your heart will tell you Listen to your heart

The Works of Charles and Mary Lamb: Poems and plays Charles Lamb, Mary Lamb, 1903 **The Last Poems of D.H. Lawrence** Bethan Jones, 2016-03-03 In the first book to take D.H. Lawrence's Last Poems as its starting point Bethan Jones adopts a broadly intertextual approach to explore key aspects of Lawrence's late style The evolution and meaning of the poems are considered in relation to Lawrence's prose works of this period including *Sketches of Etruscan Places* *Lady Chatterley's Lover* and *Apocalypse* More broadly Jones shows that Lawrence's late works are products of a complex process of textual assimilation as she uncovers the importance of Lawrence's reading in mythology cosmology primitivism mysticism astronomy and astrology The result is a book that highlights the richness and diversity of his poetic output also prioritizing the masterpieces of Lawrence's mature style which are as accomplished as anything produced by his Modernist contemporaries *Ardent Complaints and Equivocal Piety* William E. Jackson, 2003 *Ardent Complaints and Equivocal Piety* treats three sets of medieval German crusade poems in most of which the crusades are pictured as a source of distress disenchantment or even annoyance These groups of German poems are treated against a background of Latin crusade poems in which the crusades cause stress and distress of a different kind **Fields in Motion** Dena Davida, 2011-10-01 *Fields in Motion* Ethnography in the Worlds of Dance examines the deeper meanings and resonances of artistic dance in contemporary culture The book comprises four sections methods and methodologies autoethnography pedagogies and creative processes and choreographies as cultural and spiritual representations The contributors bring an insiders insight to their accounts of the nature and function of these artistic practices giving voice to dancers dance teachers creators programmers spectators students and scholars International and intergenerational this collection of groundbreaking scholarly research points to a
