Ninety Ninth Sheep:

The 99th Sheep Meryl Doney,1991 99 SHEEPS Davi Arbelo,2021-08-27 The book is a fictional tale based on the personal development of Davi Arbelo The book 99 sheep is a dialogue about self knowledge the first book in the expansion dialogues series it brings as a background the story of catatumbo it is based on the first 10 episodes of the catatumbopod podcast by Davi Arbelo Each episode had the story of a child who would be someone who was born under conditions that would indicate that he was born to do something great in the world Throughout the book there are dialogues about the learning process reframing Fear personality weakness inferiority complex imbalance fear of losing someone s love imaginative capacity and mental movement The book concludes with a tale that gives name to the book portraying through the tale the power of a powerful self image and self knowledge *The Prostitute in the Family Tree* Doug Adams,1997-01-01 The Bible is funny Very funny according to Douglas Adams In this book Adams demonstrates how readers can discover this often neglected humor looking at the Bible as a whole and seeing biblical stories with all their rough edges the unethical and ambiguous characters the unsolved problems and the surprising endings Adams argues that by missing the humor and irony of the Bible readers often miss intended meanings as well *The Nicodemus Principle* Barry KornReich,2005-02 This book explores the modern Gospel message that you with your human will are ultimately responsible for your eternal destiny and future existence It lays out a detailed examination and analysis of the sovereignty of God as described in the Bible It contrasts this Bible teaching with today s message that humans have a free will which is sovereign in choosing their final destiny **Solus** Don Willis,2022-12-01 Most if not all of us have suffered one or more losses in our lives and blamed God for what we believe he should have done to prevent our pain Through this book you see the journey of Ben the losses he suffers and the pain for which he blames God throughout his life You will also see the redemption as he lays those burdens of those losses at the father s feet and the rest that comes as a result Many Things in Parables Charles W. Hedrick,2004-01-01 In this splendid introduction to the elusive rhetorical device central to the New Testament picture of Jesus Charles Hedrick explores the nature of the parable and its history of use He asks basic questions such as what is a parable is Jesus really the author of the parables and what does a parable mean and then reviews a range of sources from Aesop s fables to modern New Testament scholarship to answer them He also surveys the various ways the parables have been approached in literary criticism throughout history giving specific examples of each method and delineating their strengths and weaknesses Jesus's Truth Yung Suk Kim,2018-01-10 Parables of Jesus are stories about everyday life ranging from a person s worldview to economic justice in society This book examines most parables of Jesus from a critical literary perspective Twenty three narrative parables in the Synoptic Gospels are rearranged by their source Markan parables Q parables Matthean unique parables Lukan unique parables Each parable invites readers to reengage Jesus s stories in the contemporary world **The Parables of Jesus the Galilean** Ernest van Eck,2016-08-09 Who do we meet in the stories

Jesus told In *The Parables of Jesus the Galilean Stories of a Social Prophet* a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God

No Mercy, No Justice Brooks Harrington, 2019-01-02 How can we be just and merciful Are justice and mercy in conflict Or are they aspects of the same truth Christians in America are presented with two conflicting versions of justice and mercy One version comes from the dominant secular narrative of America Justice and mercy are contradictions Mercy is devalued and discouraged But within the counter narrative of God revealed through Torah the prophets and particularly through the life and parables of Jesus justice and mercy are aspects of the same truth and way of God There is no justice without mercy There is no mercy without justice In this book Rev Brooks Harrington draws on more than 40 years experience as a criminal prosecutor a pastor of an inner city church in an impoverished neighborhood and the founder of a legal ministry protecting indigent victims of family violence and child neglect and abuse Through moving stories of women and children he has encountered he shows the terrible toll of the dominant narrative's version of justice and mercy And he offers Christians hope with new and startling insights into God's justice and mercy revealed in the parables of Jesus

Parabolic Figures or Narrative Fictions? Charles W. Hedrick, 2016-06-10 Hedrick contends that parables do not teach moral and religious lessons they are not in whole or part theological figures for the church Rather parables are realistic narrative fictions that like all effective fiction literature are designed to draw readers into story worlds where they make discoveries about themselves by finding their ideas challenged and subverted or affirmed The parables have endings but not final resolutions because the endings raise new complications for careful readers which require further resolution The narrative contexts and interpretations supplied by the evangelists constitute an attempt by the early church to bring the secular narratives of Jesus under the control of the church's later religious perspectives Each narrative represents a fragment of Jesus's secular vision of reality Finding himself outside the mainstream of parables scholarship both ecclesiastical and critical Hedrick explored a literary approach to the parables in a series of essays that among other things set out the basic rationale for a literary approach to the parables of Jesus These early essays form the central section of the book They are published here in edited form along with unpublished critiques of a thoroughgoing literary approach and his response

Snodgrass,2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book s original 2008 publication **The**

Mustard Seed Osho,2010-02-01 This timely book explores the wisdom of the Gnostic Jesus who challenges our preconceptions about the world and ourselves Based on the Gospel of Thomas the book recounts the missing years in Jesus life and his time in Egypt and India learning from Egyptian secret societies then Buddhist schools then Hindu Vedanta Each of Jesus original sayings is the seed for a chapter of the book each examines one aspect of life birth death love fear anger and more counterpointed by Osho s penetrating comments and responses to questions from his audience Messiah in

Weakness Yung Suk Kim,2016-05-27 Yung Suk Kim raises a perennial question about Jesus How can we approach the historical Jesus Kim proposes to interpret him from the perspective of the dispossessed through the eyes of weakness Exploring Jesus s experience interpretation and enactment of weakness understanding weakness as both human condition and virtue Kim offers a new portrait of Jesus who is weak and strong and empowered to bring God s rule replete with mercy in the here and now Arguing against the grain of tradition that the strong Jesus identifies with the weak Kim demonstrates that it is the weak Jesus who identifies with the weak The paradoxical truth with Jesus is Because he is weak he is strong In the end Jesus dies a death of paradox that reveals both his ultimate weakness that demands divine justice and his unyielding spirit of love for the world and truth of God **Hope after Church Hurt** Joe Dobbins,2024-06-18 The people of God hurt
