No More Lonely Nights Overcoming The Hidden Fears That Keep You From Getting Married

Susan Faludi

No More Lonely Nights Overcoming The Hidden Fears That Keep You From Getting Married:

No More Lonely Nights Stephen Price, Susan Price, 1988 *We Believe the Children* Richard Beck, 2015-08-04 Of the many hundreds of people who were investigated in connection with day care and ritual abuse cases around the country some 190 were formally charged with crimes leading to more than 80 convictions But none of it happened It was a decade long outbreak of collective hysteria on a par with the Salem witch trials Using extensive archival research conducted in Los Angeles Miami New York Minneapolis and elsewhere and drawing on dozens of interviews conducted with the hysteria s major figures n 1 editor Richard Beck shows how a group of legislators doctors lawyers and parents most working with the best of intentions set the stage for a cultural disaster Psychiatrists and talk therapists turned dubious theories of trauma and recovered memory into a destructive new kind of psychotherapy Social workers and detectives employed coercive interviewing techniques that led children to tell them what they wanted to hear *Talking Difference* Mary Crawford, 1995-06-22 I love the warmth and wit in this book but I say this in no way to detract from the seriousness of its subject matter and its incisive treatment by Mary Crawford this is a great book and an important book which articulates current critical thinking about research around gender and language Mary Crawford writes brilliantly powerfully and lucidly I thoroughly recommend it British Psychological Society Psychology of Women Section Newsletter This refreshing re evaluation of current wisdom both academic and popular about men s and women s language critically assesses the abundant social science research of recent years and its representation in the mass media Exploring a wide range of topics from talk shows to self help books Mary Crawford offers a new understanding of the role of language practices in both maintaining and disrupting gender inequality The book addresses such provocative questions as Why has the study of gender and language so often focused on the limitations of women s talk How do academic practices constrain our understanding of how gender relations are re created and maintained in language use Why do assertiveness texts usually ignore indirect modes of speech such as humour and storytelling **Backlash** Susan Faludi, 2009-11-18 A new edition of the feminist classic with an all new introduction exploring the role of backlash in the 2016 election and laying out a path forward for 2020 and beyond Winner of the National Book Critics Circle Award Enraging enlightening and invigorating Backlash is most of all true Newsday First published in 1991 Backlash made headlines and became a bestselling classic for its thoroughgoing debunking of a decadelong antifeminist backlash against women s advances A Pulitzer Prize winning journalist Susan Faludi brilliantly deconstructed the reigning myths about the costs of women s independence from the supposed man shortage to the infertility epidemic to career burnout to toxic day care and traced their circulation from Reagan era politics through the echo chambers of mass media advertising and popular culture As Faludi writes in a new preface for this edition much has changed in the intervening years The Internet has given voice to a new generation of feminists Corporations list gender equality among their core values In 2019 a record number of women entered Congress Yet the glass ceiling is still unshattered

women are still punished for wanting to succeed and reproductive rights are hanging by a thread This startling and essential book helps explain why women s freedoms are still so demonized and threatened and urges us to choose a different future

Women's Liberation! Alix Kates Shulman,Honor Moore,2021-02-16 Two pioneering feminists present a groundbreaking collection recovering a generation s revolutionary insights for today When Betty Friedan published *The Feminine Mystique* in 1963 the book exploded into women s consciousness Before the decade was out what had begun as a campaign for women s civil rights transformed into a diverse and revolutionary movement for freedom and social justice that challenged many aspects of everyday life long accepted as fixed work birth control and abortion childcare and housework gender class and race art and literature sexuality and identity rape and domestic violence sexual harassment pornography and more This was the women s liberation movement and writing powerful personal and prophetic was its beating heart Fifty years on in the age of MeToo and Black Lives Matter this visionary and radical writing is as relevant and urgently needed as ever ready to inspire a new generation of feminists Activists and writers Alix Kates Shulman and Honor Moore have gathered an unprecedented collection of works many long out of print and hard to find that catalyzed and propelled the women s liberation movement Ranging from Friedan s *Feminine Mystique* to Backlash Susan Faludi s Reagan era requiem and framed by Shulman and Moore with an introduction and headnotes that provide historical and personal context the anthology reveals the crucial role of Black feminists and other women of color in a decades long mass movement that not only brought about fundamental changes in American life changes too often taken for granted today but envisioned a thoroughgoing revolution in society and consciousness still to be achieved **Mars, Venus, and Nostalgia** Elizabeth Sue Weber,2002 **Cassette**

Books Library of Congress. National Library Service for the Blind and Physically Handicapped,1989 *No More Lonely Nights* Stephen Price,Susan Price,1989-03-01 Offers advice and encouragement for many otherwise successful women who want to get married but harbor a secret fear that prevents them from find the right mate Breakthrough ,1992 **New Books on Women and Feminism** ,1989 *Women: Images & Realities, A Multicultural Anthology* Amy Kesselman,Lily D McNair,Nancy Schniedewind,2008 This best selling anthology is a unique introduction to feminism and women s studies It presents a multidisciplinary collection of academic essays and analyses personal narratives and fiction and poetry about women s lives The selections illustrate the variety of women s experiences primarily in the United States considering both commonalities and differences among women and appreciating women s diverse approaches to living and fostering change
