## Raped By An Angel:

**Rape-Revenge Films** Alexandra Heller-Nicholas, 2021-04-12 Often considered the lowest depth to which cinema can plummet the rape revenge film is broadly dismissed as fundamentally exploitative and sensational catering only to a demented regressive demographic This second edition ten years after the first continues the assessment of these films and the discourse they provoke Included is a new chapter about women directed rape revenge films a phenomenon that revitalized since MeToo exploded in late 2017 is a filmmaking tradition with a history that transcends a contemporary context Featuring both famous and unknown movies controversial and widely celebrated filmmakers as well as rape revenge cinema from around the world this revised edition demonstrates that diverse and often contradictory treatments of sexual violence exist simultaneously *Fallen Angels and Fallen Women* Robin Jarrell, 2013-02-15 The strange and enigmatic title son of man has intrigued biblical scholars for millennia What does it mean and how does it describe Jesus in his role as the Christian messiah Robin Jarrell surveys the mythological roots of the phrase in the ancient Mesopotamian Epic of Gilgamesh and traces its development from the mythology of the Egyptian queen Hatshepsut's birth narrative to the Baal Cycle in Ugaritic literature to the story of Pandora and finally to the story of creation found in the book of Genesis The key to unlocking the mystery of the phrase son of man is embedded in the story of the first son of man Noah with the reference to the sons of God who found wives among the daughters of men and whose offspring brought devastation to the earth and the reason for the flood In the hands of the Christian gospel writers the parallel son of man figure found in the Dead Sea Scrolls reemerges in the identity of the last son of man Jesus of Nazareth *Film and Constitutional Controversy* Marco Wan, 2021-02-04 Constructs an original dialogue between constitutional law film and identity by using Hong Kong as a case study *Angel's Shadow* Susan Harris, 2025-04-25 Sometimes the truth doesn't set you free Raven's secret is out and she's pretty sure that there's a hell of a lot more angels who want her dead She thought that her life was in jeopardy living in the citadel under Rieka's watchful eye but nothing could have prepared her for being truly behind enemy lines in the Seraphan's stronghold The path to escape means that Raven will not only have to put her trust in angels that she never expected to but also learn to play a dangerous game of chess with an angel who's known for his skills Raven might be a master at pretending to be someone she's not but even she has her limits In the penultimate book Raven knows that she needs to get herself away from the Seraphan but the question is even if she manages to get free where can she go when everyone she once called friend wants her dead *The Hong Kong Filmography, 1977-1997* John Charles, 2015-06-14 Thanks to the successes of directors and actors like John Woo Jackie Chan and Chow Yun Fat the cinema of Hong Kong is wildly popular worldwide and there is much more to this diverse film culture than most Western audiences realize Beyond martial arts and comedy Hong Kong films are a celebration of the grand diversity and pageantry of moviemaking covering action comedy horror eroticism mythology historical drama modern romances and experimental films Information on 1 100 films produced in British Hong
