Shepherd His Flock:

The Shepherd and His Flock Jeffery D Hamm Ph D, Jeffery Hamm, 2018-07-24 Pastoring is both an art and a science however much more than that it is a divine calling wherein God imparts to chosen vessels a gift of his grace that empowers them to extend his loving care to all his children especially those of the household of faith While there are many competing theories as to what pastoring means and how it should be fulfilled both in the life of the administrator and in the lives of those who are being pastored the reality is that the only definition that matters is the one that God himself gives through Holy Scripture True pastors are identified in the context of the Hebrew Scriptures through the very word itself which represents a function not a form This is true of most words in the Hebrew texts which describe actions rather than states of being Pastoring therefore is a work not merely a title The Hebrew word that is translated pastor is ra ah which is a verbal form meaning to pasture A biblical pastor therefore is actually a pasturer or one who pastures with the visual picture of one who leads sheep to pasture or one who feeds and cares for sheep This metaphor was understood well in the ancient agrarian Israelite society because pasturing sheep was essential to life This idea is readily understood in that most famous of biblical passages about pastors as shepherds The Lord is my shepherd I lack nothing He makes me lie down in green pastures he leads me beside quiet waters Psalm 23 1 2 NIV A pastor shepherd creates a comfortable environment for the ingesting of divine truth and a safe space where people can drink the water of life freely When God said to Israel I will give you pastors after my own heart who will feed you on knowledge and understanding Jeremiah 3 15 NASB he was playing on the metaphor that is readily attached to the word pastor The kind of pastors that I will send you says God are the ones who will feed you with knowledge and understanding Obviously Gold was using a vivid example of the shepherd sheep relationship in ancient Israel to teach a spiritual lesson the pastors he would give to his people would be the ones who would equip their souls with the knowledge and understanding that they needed for successful living and they would do so on a continuing daily basis A God called ordained and a gifted pastor is someone who by virtue of faith and faithfulness has learned how to be a true servant leader one who stands out front and points the way to spiritual blessing and knowledge and understanding for successful living A pastor is one who has walked the narrow way with God through Jesus the Messiah in a spiritual exercise of both theoretical knowledge and the practical application of that knowledge A pastor is one then who can teach not only theory and concept but can also demonstrate practical out working of such ideas A pastor is one who joins arm in arm with those whom he shepherds to help them walk out the life of Jesus in a vibrant and joyful way A true shepherd demonstrates through dynamic modeling the very truths that are being taught in public community exercises The Shepherd and His Flock is a volume that will permit you to look deep into the very life and being of a God called and gifted pastor You will learn powerful lessons from the heartbeat of his constant interaction with God s sheep standing with them through pain and suffering through triumph and rejoicing to help lead them to a Spirit filled life of peace and blessing The insights that you

will gain from this book will be invaluable to you as you labor in the Master's vineyard and carry out his prime directive Go and make many disciples teaching them all things that I have commanded you Matthew 28:20 Now take time to walk the road of servanthood with a true disciple of the Lord Jesus Dr Jeff Hamm The Shepherd and His Flock John Ross Macduff, 1866 **A Tender Shepherd** Rosemond Opare-Kumi, 2021-02-12 Tender shepherding is the ultimate expectation of the Lord from shepherds who take care of His lambs and sheep He is looking for tender shepherds everywhere including personal homes workplaces neighborhoods and in the church Will you answer the call Believers in Christ Jesus are making disciples as a sure proof of their love for Him but tender shepherding which is the ordained means appears to be somewhat in crisis It is in this regard that A Tender Shepherd is a voice in time to ignite the tender shepherding spirit that inhabits believers Tenderness is a significant power chip of the Treasure that resides in believers of Jesus Christ without a doubt It is the undeniable power that is relevant for the world today As this power becomes increasingly recognizable and used daily by believers in Christ Jesus for tender shepherding transformation of lives will begin to be more visible and apparent in homes families workplaces neighborhoods and indeed in all spheres of human life The world cannot deny their thirst for transformed lives in every sphere of life and hence the demand for tender shepherds This is the kind of shepherding that pleases the Lord and proven to be effective for His purposes in reconciling the world to Himself In this book you will find Heaven's perspective on shepherding The shepherding blue print of Jesus Christ and illustrations those that marked His discipleship and became His brand discipleship by tenderness and love The central purpose of shepherding for the fulfillment of the Great Commission examples for the church from the Apostles who had first hand and best taste of Jesus discipleship A hypothetical classification of churches based on shepherd types and suggestions for introspection and Shepherding in other spheres of life The author considers tender shepherding one of the surest means of responding to Jesus' command of making disciples of all nations as the day of reckoning draws near When He will say to each tender shepherd COME YOU BLESSED OF MY FATHER INHERIT THE KINGDOM PREPARED FOR YOU FROM THE FOUNDATION OF THE WORLD **The Chomsky-Foucault Debate** Noam Chomsky, Michel Foucault, 2015-05-05 In this historic 1971 debate two of the twentieth century's most influential thinkers discuss whether there is such a thing as innate human nature In 1971 at the height of the Vietnam War and at a time of great political and social instability two of the world's leading intellectuals Noam Chomsky and Michel Foucault were invited by Dutch philosopher Fons Elders to debate an age old question Is there such a thing as innate human nature independent of our experiences and external influences The resulting dialogue is one of the most original provocative and spontaneous exchanges to have occurred between contemporary philosophers Above all their discussion serves as a concise introduction to their two opposing theories What begins as a philosophical argument rooted in linguistics Chomsky and the theory of knowledge Foucault soon evolves into a broader discussion encompassing a wide range of topics from science history and behaviorism to creativity freedom and the struggle for justice in the realm of politics In addition to the

debate itself this volume features a newly written introduction by noted Foucault scholar John Rajchman and includes substantial additional texts by Chomsky and Foucault Chomsky is arguably the most important intellectual alive The New York Times Foucault leaves no reader untouched or unchanged Edward Said The Great Shepherd and His Flock. A Sermon [on Ezek. Xxxiv. 13], Etc James GODSMARK,1849 **Jesus as the Eschatological Davidic Shepherd** Young S. Chae,2006 Young S Chae analyzes the puzzling association of the Son of David with Jesus healing ministry in the First Gospel This along with the Gospel s rich shepherd sheep images and the theme of the restoration of the lost sheep of the house of Israel finds a significant clue in the picture of Jesus as the eschatological Davidic Shepherd according to the pattern of the Davidic Shepherd tradition in the Old Testament and Second Temple Judaism As Matthew communicates the identity and mission of Jesus he is conversant with this tradition particularly Ezekiel 34 and 37 as well as Micah 2 5 and Zechariah 9 14 The story of the First Gospel is the story of the return of YHWH as the eschatological Shepherd for the lost sheep of Israel and also that of the one Davidic Shepherd Appointee as the eschatological Teacher Prince in the midst of his one eschatological flock The Ministry of the Shepherd and the Church in Africa ,2017-01-25 With over two million church leaders working in the more than ten million parishes congregations seminaries and houses of religious formation around the world it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ But how can church leaders learn to be true shepherds like Jesus whose selfless sacrifice of his life for his people set the standard for the pastoral ministry The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self serving leadership styles Focusing especially on the example of pastoral ministry in Africa author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a role as shepherds and servantsnot as self serving mastersso that they can lead guide and teach their congregations as Christ would Because it can be easy for church leaders to get wrapped up in the sociocultural political and economic concerns of their parishes it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks By modeling their lives and leadership on the ideals of Jesus church leadersincluding priests religious lecturers seminarians and even lay Christian parents alikecan become true servants and shepherds honoring the example of Jesus the Good Shepherd **KJV Life Application Study Bible, Third Edition (Leatherlike, Peony Lavender, Red Letter)** Tyndale,2023-03-07 Trusted and treasured by millions of readers over 30 years the Life Application Study Bible Third Edition is today s 1 bestselling study Bible Perhaps the most complete single volume Bible ever compiled this study Bible helps readers of all ages understand the language of the Bible and gives advice on how to apply its teachings to the ups and downs of everyday life It has been thoroughly updated and expanded offering even more relevant insights With a fresh two color interior design and updated study notes and features this Bible will help you understand God s Word
