showdown in Reykjavik Iceland where he faced Soviet champion Boris Spassky Fischer made headlines with hundreds of petty demands that nearly ended the competition It was merely a prelude to what was to come Arriving back in the United States to a hero's welcome Bobby was mobbed wherever he went a figure as exotic and improbable as any American pop culture had yet produced Commercial sponsorship offers poured in ultimately topping 10 million but Bobby demurred Instead he began tithing his limited money to an apocalyptic religion and devouring anti Semitic literature Bobby reemerged in 1992 to play Spassky in a multi million dollar rematch but when the dust settled he was a wanted man transformed into an international fugitive because of his decision to play in Montenegro despite U S sanctions Fearing for his life traveling with bodyguards Bobby lived the life of a celebrity fugitive one drawn increasingly to the bizarre Drawing from Fischer family archives recently released FBI files and Bobby's own emails Endgame is unique in that it limns Bobby Fischer's entire life an odyssey that took the chess champion from an impoverished childhood to the covers of Time Life and Newsweek to recognition as the most famous man in the world to notorious recluse

Worlding Multiculturalisms Daniel P. S. Goh, 2014-11-20 Worlding multiculturalisms are practices that infuse our arbitrary cultural lives with new things from other cultures in poetic ways to enable us to dwell and be at home with the complexity of the world In the context of the crisis of multiculturalism in the West and the growing obsolescence of state based multiculturalism in the postcolonial world this book offers examples of new practices of worlding multiculturalisms that go beyond issues of immigration integration and identity Contrasting Western and Asian notions of multiculturalism this book does not focus on state issues but rather highlights manifestations of cultural exchange The chapters draw on cultural studies approaches to document instances of worlding multiculturalisms that bring Asian cultures into conflict dialogue and settlement with each other Instances include an Asian American return novel set in Penang the cultural productions and street performances of democracy marches in Malaysia the campaigns to reclaim public spaces and citizenship rights by migrant domestic workers in Hong Kong the imaginary vistas opened up by Japanese popular culture consumed throughout Asia the localisations of casino complexes in Macau and a shopping mall in Seoul and an old municipal cemetery being defended from urban redevelopment in Singapore Rather than merely globalizing forms of political diversity these are instances with the potential to transform social relations and the very terms of cultural exchange Worlding Multiculturalisms offers a truly interdisciplinary examination of multiculturalism in action As such it will appeal to students and scholars of cultural studies Asian studies Asian culture and society cultural anthropology and sociology and political sociology
