Sheriff Kill:

The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case Jack Justin Turner, 2014-12-11 The Sheriff of Hell's Murder Case is the final novel in Dr Jack Justin Turner's highly acclaimed Cumberland Mountain Trilogy. With a mangled arm and with his long barreled Luger close at hand Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls home. Jake as he is known by both friend and foe has been described as a combination of Hamlet and Dirty Harry but in this last volume Jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life. Part murder mystery and part magnificent love story The Sheriff of Hell's Murder Case again demonstrates Dr Turner's powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern Appalachian fiction. Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers. As one reviewer put it Jack Justin Turner's voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters. Seldom does a book transport a reader so surely to another place and time.

Sheriff Jake Herald's career was characterized by violence, intemperate outbursts against Outsiders, non Mountaineers, high handed and perhaps illegal campaign tactics, flights of fancy wherein he extols the beauties of the mountains and the virtues of its inhabitants, incarceration and intimidation of coal camp managers, police and owners and some say inveterate womanizing. He did however quite remarkably find the time to solve the occasional murder case. In this volume Jake considers running for High Sheriff while being assailed by a series of difficulties, some of them quite bizarre. Violence from a near war in West Virginia between union miners and coal company detectives threatens to spill over into Chinoe County, Kentucky. Two bodies are found on the same stretch of railroad track. Italian Bank Robbers strike a nearby town, a young school teacher is stalked and automobiles come to Chinoe with the introduction of a yellow Duesenberg and a Bluebird. Overland, the series of murder cases that Jake Herald faces and the methods he employs build suspense and create the dramatic tension that propels the novel to its climax and to an unforgettable resolution that promises a love interest readers are sure to look forward to in the final novel of the Cumberland Mountain Trilogy.
