Sherpas Reflections On Change In Himal:

Sherpas James F. Fisher,1990 James Fisher combines the strengths of technical anthropology literary memoir and striking photography in this telling study of rapid social change in Himalayan Nepal The author first visited the Sherpas of Nepal when he accompanied Sir Edmund Hilary on the Himalayan Schoolhouse Expedition of 1964 Returning to the Everest region several times during the 1970s and 1980s he discovered that the construction of the schools had far less impact than one of the by products of their building a short take off and landing airstrip By reducing the time it took to travel between Kathmandu and the Everest region from a hike of several days to a 45 minute flight the airstrip made a rapid increase in tourism possible Beginning with his impressions of Sherpa society in pre tourist days Fisher traces the trajectory of contemporary Sherpa society reeling under the impact of modern education and mass tourism and assesses the Sherpa s concerns for their future and how they believe these problems should be and eventually will be resolved Sherpas: Reflections on Change in Himalayan Nepal Fisher James F,1990 **The Sherpas of the Himalayas** Manis Kumar Raha,Palash Chandra Coomar,Sudip Bhui,2016-01-01 The present book is a detailed first of its kind study of the Sherpas inhabiting Darjeeling District of West Bengal and South District of Sikkim This ethnographic study among the Sherpas of these two areas was undertaken by the authors because firstly the Sherpas here have very interesting culture and secondly these people here are very little known All detailed studies so far published are on the Sherpas of Nepal So people know about the Sherpas of Nepal but not about them living in Darjeeling and Sikkim From this detailed study the readers of this book particularly those who are interested about the people of the Himalayas and of North East India will get a comprehensive idea about the life and activities of these inhabitants of the Himalayas Moreover in this book a comparison between their society and culture and those of their congeners in Nepal has also been made As a result the readers will get a complete life sketch of these people from this book This book will also help in formulating and undertaking development programmes among them and also in the areas they live **Sherpas** James F. Fisher,1990-05 James Fisher combines the strengths of technical anthropology literary memoir and striking photography in this telling study of rapid social change in Himalayan Nepal The author first visited the Sherpas of Nepal when he accompanied Sir Edmund Hilary on the Himalayan Schoolhouse Expedition of 1964 Returning to the Everest region several times during the 1970s and 1980s he discovered that the construction of the schools had far less impact than one of the by products of their building a short take off and landing airstrip By reducing the time it took to travel between Kathmandu and the Everest region from a hike of several days to a 45 minute flight the airstrip made a rapid increase in tourism possible Beginning with his impressions of Sherpa society in pre tourist days Fisher traces the trajectory of contemporary Sherpa society reeling under the impact of modern education and mass tourism and assesses the Sherpa s concerns for their future and how they believe these problems should be and eventually will be resolved The Sherpas and Their Original Identity Serku Sherpa,Yana Wengel,2023-04-11 This book

offers a cultural and historical perspective on the Sherpa people exploring how their traditional way of life has been impacted by such factors as urbanisation modernisation globalisation and tourism Though Nepal is a small country it is rich in ethnic religious linguistic and cultural resources Various communities living in Nepal including the Sherpas have their own original cultures traditions and practices Despite outside influence the Sherpa people have preserved their distinct lifestyle which encompasses a unique history culture religion language cuisine and set of traditions It was only after the summit of Everest in 1953 that domestic and foreign scholars began to take an interest in documenting the Sherpa people s way of life The Sherpa s language is an oral one and with this comes difficulties Various translations into other languages have caused mistranslations and a loss of meaning Written by a Sherpa this book seeks to overcome these linguistic barriers and bring Sherpa culture to the reader Serving as a collection of knowledge from distinguished scholars of the Sherpa community religious leaders intellectuals social workers and community organisations this book is a unique auto ethnographic work which bridges the gap between researchers speaking other languages and Sherpa people

Urban Space: experiences and Reflections from the Global South Hernández García, Jaime, Cárdenas-O´Byrne, Sabina, García Jerez, Adolfo, BB Beza, 2018-12-14 The structuring of Urban Space is as topical as ever in this era of climate change hyper urbanisation post digital labour markets and geo political power shifts Scholarship of the contemporary urban condition is dominated by studies and examples drawn from the global north Yet cities of the global south are distinctive from those of the global north Socio political conditions structure patterns and practices of urban reproduction and in turn Urban Space reflects conditions in the Global South Th e result is different space related outcomes Th is is the central topic of this collection In this book a unique collection of case study based accounts posits both English and Spanish academic literature to interpret and reinterpret the appropriation negotiation and reconfiguration of Urban Space in cities from Colombia to Namibia This collection will be of particular interest to urban scholars and others interested in contemporary urban change especially those with an interest in the Global South Readers will encounter new perspectives on the State s enduring influence in urban land and territory reconfiguration and the contrasting wider rhetoric that affords and legitimises a key role for the private sector Th e case studies also illuminate opportunities and possibilities for grassroots organising to challenge prevailing city actor hierarchies They also highlight the political economic consequences of particular cases of bus rapid transport projects for spatial and social segregation Across these and other topics recurring themes of inequality governance and environment are investigated in contested urban terrains Th e result is a unique collection of viewpoints with a common critical narrative on the present and future challenges facing cities of the Global South

Sherpas: The Silent Heroes of the Everest Expeditions Zahid Ameer, 2024-11-28 Discover the untold story of the Sherpas the true heroes behind Everest expeditions in Sherpas The Silent Heroes of the Everest Expeditions This captivating book dives deep into the rich history culture and vital role of Sherpas in mountaineering It offers an in depth exploration of their physiological adaptations to high

altitude bravery in extreme conditions and spiritual connection to the Himalayan mountains Learn about the first Everest expeditions the life of high altitude guides and inspiring tales of Sherpa heroes Perfect for adventure enthusiasts history buffs and those curious about the unsung legends of Mount Everest Dive into the world of Sherpas and discover why they are the silent pillars of Everest's greatest triumphs *Managing and Adapting to Global Change in Tourism Places* Alan A. Lew, 2017-10-02 Today more than ever communities need to develop resilience strategies to adapt to the varied and often unpredictable forces of global change The focus of this collection of articles from *Tourism Geographies* is on global change in tourism places Global change incorporates social and economic globalization which is arguably the most important process to have shaped the development of modern tourism since the nineteenth century and climate change which is likely to be the most significant factor influencing human behavior and livelihood in the coming decades The organization of these articles reflects a traditional geography approach which starts with an emphasis the physical geography foundations of the human condition especially through the issue of climate change This is then broadened by a series of insightful comparative studies of how tourism communities react adapt and relate to their changing natural and social conditions This collection of papers addresses major issues and adaptive paths for tourism destinations as they face the challenges of our contemporary world This book was published as a special issue of *Tourism Geographies* *Himalayan Perceptions: Environmental Change and the Well-being of Mountain Peoples [ENHANCED]* (Hardcover) Jack D. Ives, 2006 *Spirited Women* Joanne C. Watkins, 1996 In the Himalayan highlands of northern Nepal the small group of Tibetan Buddhists known as the Nyeshangte have maintained a gender egalitarian social organization over many years Nyeshangte women own land control household money and have the right to initiate divorce Most important they participate equally with men in central social institutions international trade and Buddhist ritual practice *Spirited Women* explores how the traditional culture of the Nyeshangte has confronted the changes brought about by modernization and the transition to a market economy as the community has experienced a diaspora extending from the Himalayan highlands to such urban areas as Kathmandu Singapore and Hong Kong
