Accidental Dad Accidental Dad, 2016-01-18 Joshua McDowell is a single father on a mission He believes being a parent is the most rewarding experience in the world For that reason he wants you to help him change the family court system Each year millions of children grow up in fatherless homes resulting in teen pregnancies school dropouts depression and suicides In Accidental Dad McDowell talks frankly about his own fatherless childhood Each child wants needs and deserves to grow up with a strong relationship with both parents but those parents have to be there for the right reasons McDowell is not an expert in conventional terms with qualifying degrees to counsel others but he knows how it felt to grow up without his father and he also knows how it feels for a single father to have to deal with the court system that can make a father feel worthless He worked on this book for several years and eventually sought a professional writer to help him bring his experiences and reflections to readers He shares firsthand information about our family courts to provide a clear understanding of the bias in courts across this country against fathers who want custody of their children Joshua McDowell is handing us all a challenge Help McDowell change the world and help bring loving caring good fathers back to the head of household This book will even help those young boys who are thinking about having sex to wait They certainly can learn from the author s mistakes of having a baby too young and dealing with the court system Keywords Child Support Custody Visitation Fathers Rights
