Shield For Murder

Derek Sculthorpe

Shield For Murder:

Shield for Murder, 1954 Shield for Murder William P. McGivern, 1988 *Edmond O'Brien* Derek

Sculthorpe, 2018-10-01 One of the most versatile actors of his generation Edmond O'Brien made a series of iconic noir films. From a man reporting his own murder in *D.O.A.* 1949 to the conflicted title character in *The Bigamist* 1953 he portrayed the confusion of the postwar Everyman. His memorable roles spanned genres from Shakespeare to westerns and comedies he also turned his hand to directing. He won the Academy Award for Best Supporting Actor as the harassed press agent Oscar Muldoon in Joseph Mankiewicz's bitter Cinderella fable *The Barefoot Contessa* 1954. This first in-depth study of O'Brien charts his life and career from Broadway to Hollywood and to the rise of television revealing a devoted family man dedicated to his craft.

The Big Heat Colin McArthur, 2019-07-25 *The Big Heat* first appeared in 1953 towards the end of the film noir cycle that had begun in the early 40s. It was greeted in the United States and Britain as a successful but modest product of the Hollywood system slickly written and directed in the words of one critic. Only the extreme violence as in the infamous scalding coffee scene was singled out for special mention. Yet by the time the film was reissued in Britain in 1988 it had achieved undisputed classic status. How had this transformation come about? Colin McArthur takes *The Big Heat* as a case study in film criticism. He examines the film's changing critical fortunes under the influence of the so-called auteur theory and shows how other intellectual currents led to a reassessment of Lang's work in the 1970s. McArthur provides his own perceptive analysis of the film in the light of these revolutions in film criticism.

The Encyclopedia of Hollywood Film Actors Barry Monush, 2003-04-01 For decades *Screen World* has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now *Screen World* editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography photos from the famed *Screen World* archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor's contributions good or bad. In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos.

In a Lonely Street Frank Krutnik, 2006-10-19 Taking issue with many orthodox views of Film Noir Frank Krutnik argues for a reorientation of this compulsively engaging area of Hollywood cultural production. Krutnik recasts the films within a generic framework and draws on recent historical and theoretical research to examine both the diversity of film noir and its significance within American popular culture of the 1940s. He considers classical Hollywood cinema debates on genre and the history of the emergence of character in film noir focusing on the hard-boiled crime fiction of Dashiell

Hammett Raymond Chandler and James M Cain as well as the popularisation of Freudian psychoanalysis and the social and cultural upheavals of the 1940s The core of this book however concerns the complex representation of masculinity in the noir tough thriller and where and how gender interlocks with questions of genre Analysing in detail major thrillers like The Maltese Falcon Double Indemnity Out of the Past and The Killers alongside lesser known but nonetheless crucial films as Stranger on the Third Floor Pitfall and Dead Reckoning Krutnik has produced a provocative and highly readable study of one of Hollywood most perennially fascinating groups of films

Reports of Cases Determined in the Supreme Court of the State of California California. Supreme Court, 1906

Dark City Eddie Muller, 2021-07-20 This revised and expanded edition of Eddie Muller's *Dark City* is a film noir lover's bible taking readers on a tour of the urban landscape of the grim and gritty genre in a definitive highly illustrated volume *Dark City* expands with new chapters and a fresh collection of restored photos that illustrate the mythic landscape of the imagination It's a place where the men and women who created film noir often find themselves dangling from the same sinister heights as the silver screen avatars to whom they gave life Eddie Muller host of Turner Classic Movies *Noir Alley* takes readers on a spellbinding trip through treacherous terrain Hollywood in the post World War II years where art politics scandal style and brilliant craftsmanship produced a new approach to moviemaking and a new type of cultural mythology

I Died a Million Times Robert Miklitsch, 2021-01-11 In the 1950s the gangster movie and film noir crisscrossed to create gangster noir Robert Miklitsch takes readers into this fascinating subgenre of films focused on crime syndicates crooked cops and capers With the Senate's organized crime hearings and the brighter than bright myth of the American Dream as a backdrop Miklitsch examines the style and history and the production and cultural politics of classic pictures from *The Big Heat* and *The Asphalt Jungle* to lesser known gems like *711 Ocean Drive* and post Fifties movies like *Ocean's Eleven* Miklitsch pays particular attention to trademark leitmotifs including the individual versus the collective the family as a locus of dissension and rapport the real world roots of the heist picture and the syndicate as an octopus with its tentacles deep into law enforcement corporate

America and government If the memes of gangster noir remain prototypically dark the look of the films becomes lighter and flatter reflecting the influence of television and the realization that under the cover of respectability crime had moved from the underworld into the mainstream of contemporary everyday life
