Smith, 2013-11-28 It is no exaggeration to say that the Hankey a small British ship that circled the Atlantic in 1792 and 1793 transformed the history of the Atlantic world This extraordinary book uncovers the long forgotten story of the Hankey from its altruistic beginnings to its disastrous end and describes the ship's fateful impact upon people from West Africa to Philadelphia Haiti to London Billy G Smith chased the story of the Hankey from archive to archive across several continents and he now brings back to light a saga that continues to haunt the modern world It began with a group of high minded British colonists who planned to establish a colony free of slavery in West Africa With the colony failing the ship set sail for the Caribbean and then North America carrying as it turned out mosquitoes infected with yellow fever The resulting pandemic as the Hankey traveled from one port to the next was catastrophic In the United States tens of thousands died in Philadelphia New York Boston and Charleston The few survivors on the Hankey eventually limped back to London hopes dashed and numbers decimated Smith links the voyage and its deadly cargo to some of the most significant events of the era the success of the Haitian slave revolution Napoleon's decision to sell the Louisiana Territory a change in the geopolitical situation of the new United States and spins a riveting tale of unintended consequences and the legacy of slavery that will not die **The Ship of Death** Vera Morris, 2020-10-15 With a ruthless criminal loose on the Suffolk coast life is anything but

peaceful for the Anglian Detective Agency At Rooks Wood Farm Rosalind Breen's twin sons grieve her death Daniel shoulders the burdens of running the farm and caring for his brother Caleb who's shunned for his strange appearance Meanwhile Minsmere Bird Reserve is suffering a spate of vandalism and senior partners of the Anglican Detective Agency Frank Diamond and Laurel Bowman are enlisted to find the culprits But shortly after taking the case Laurel discovers the body of a young man dumped in one of the meres and the detectives are caught up in a murder enquiry All evidence points to one suspect but can the Anglian Detective Agency catch the killer Or will it take another death for the truth to be finally set free Vera's new novel Death by the Sea is available to pre order NOW Readers LOVE Vera Morris's Anglian Detective Agency series A perfect detective novel A real page turner One of the most gripping mysteries I have ever read I sat up to past

sea having spent years in the British merchant navy This profound connection to maritime life deeply informs his writing allowing Russell to convincingly convey the tumultuous emotions and grueling reality of life aboard a ship His other works further explore similar themes establishing him as one of the pivotal figures in nautical literature during a period marked by both fascination and apprehension toward the ocean The Death Ship is a must read for lovers of historical fiction and nautical tales alike It not only captivates with its dramatic storytelling but also invites readers to ponder the deeper questions of existence rooted in the vastness of the sea Russell s ability to render the sea both a beautiful and fearsome entity makes this epic tale a compelling addition to any literary collection
