[Ships A Pictorial History From Noahs Ark To The U S S United States](#)

Cuthbert Hamilton Ellis

Ships A Pictorial History From Noahs Ark To The U S S United States:

Ships Cuthbert Hamilton Ellis,1974 You are about to enjoy the most comprehensive visual record of the history of ships ever assembled in one single volume Edited by an acknowledged authority it takes you from the very beginnings up to the late 1950s when presumably we all became aware of the subject from personal observation and experience Here are those rich formative years before our own age of awareness displayed pictorially over 400 photos and accompanied by a knowledgeable and pertinent commentary so that we might enjoy its reading over and over again The British editor may have tended to emphasize the European contribution but since his expertise in the field is unassailable and since the wealth of detail he has provided is as impressive as in any other published document within our memory we hope you agree that a small bias is more than compensated for by such a massive compendium of information and entertainment Publisher's note

Claimed by the Sea - Long Island Shipwrecks Adam M. Grohman,2008-06-02 *Claimed by the Sea Long Island Shipwrecks* provides an intimate look at eleven shipwrecks and maritime disasters that occurred in the waters of New York and Long Island Diver researcher and author Adam Grohman dives into the archives to explore the histories of various wrecks including the Savannah Lexington U S S Ohio Circassian Seawanhaka Oregon Louis V Place General Slocum U S S San Diego Andrea Doria and the Gwendoline Steers The chapters provide an in depth history of the vessel the circumstances surrounding their eventual demise and subsequent exploration by divers and explorers *Claimed by the Sea* is heavily illustrated and contains extensive footnotes source listings and several appendices including a glossary of nautical and diving terminology *Claimed by the Sea* is an excellent opportunity for armchair historians and seasoned underwater explorers to dip beneath the waves of history to explore the tragedy and triumph of man versus the sea The Baker & Taylor Secondary
