Ships 'seventy David A. Parsons,1970      **Modern ships of war** Edward J. Sir Reed,Edward Simpson,2025-03-02 Modern Ships of War is a compelling anthology that deftly navigates the intricate waters of military and maritime literature Its carefully curated stories traverse an ocean of human experience witnessed through the mechanized lens of war From breathtaking battles at sea to the philosophical musings of mariners caught in the crosswinds of duty and morality this collection offers a panoramic view of courage strategy and the human spirit Its diverse narratives ranging from intimate reflections to comprehensive tactical analyses provide a rich tapestry that simultaneously entertains and informs drawing readers into the multifaceted world of naval warfare Edited by the esteemed Edward J Sir Reed and Edward Simpson this anthology brings together a confluence of voices each contributing a unique depth to the theme of modern warfare Both editors renowned for their contributions to military scholarship have meticulously selected works that reflect historic and contemporary shifts in naval strategies and technologies The anthology aligns with broader movements within both literature and historical studies inviting readers to consider the evolving nature of conflict and peace from a multitude of perspectives Modern Ships of War offers a rare opportunity to examine maritime conflict through the eyes of varied literary virtuosos This collection appeals to scholars history enthusiasts and literary aficionados alike who will appreciate its comprehensive exploration of complex themes Readers are encouraged to immerse themselves in this masterfully compiled volume to not only enrich their understanding of naval warfare but also engage with the rich ongoing dialogue between tradition and innovation in the military literary canon      **Heimskringla** Snorri Sturluson,2010-07-05 A collection of sagas concerning the various rulers of Norway from about 850 to 1177 Beginning with the dim prehistory of the mythical gods and their descendants Heimskringla recounts the history of the kings of Norway through the reign of Olaf Haraldsson who became Norway s patron saint Once found in most homes and schools and still regarded as a national treasure Heimskringla influenced the thinking and literary style of Scandinavia over several centuries Snorri Sturluson speaks as almost no other historian ever has spoken with the authority of a man whose masterful skills would have made him one of the formidable foremost in any of the events he records So he saturates even remotely past happenings with a gripping first hand quality Hollander s translation is very good fresh on every page Wherever you open the book the life grips you and you read on Ted Hughes New York Review of Books Among the many contributions to world literature that ancient Iceland has given us Heimskringla stands out as one of the truly monumental works Among medieval European histories in the vernacular it has no equal Modern Philology      Reports of Cases Decided in the High Court of Chancery of Maryland Theodorick Bland,2025-07-29 Reprint of the original first published in 1836 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      An Historical and Chronological Déduction of the Origin of Commerce Adam

Anderson,1787      *Report to the President and the Secretary of Defense on the Department of Defense* United States. Blue Ribbon Defense Panel,1970      **Defense Acquisition** ,1989      The Story of the Great War (Complete) Various Authors, What lesson will America draw from the present Great War Must she see the heads of her own children at the foot of the guillotine to realize that it will cut or will she accept the evidence of the thousands which have lain there before Will she heed the lesson of all time that national unpreparedness means national downfall or will she profit from the experience and misfortunes of others and take those needed measures of preparedness which prudence and wisdom dictate In a word will she draw any valuable lessons from the Great War This is the question which is so often asked As yet there is no answer It is the question uppermost in the minds of all those who are intelligently interested in our country s welfare and safety It is the question which vitally concerns all of us as it concerns the defense and possibly the very existence of our nation The answer must be Preparedness If we are to live preparedness to oppose the force of wrong with the strength of right Will it be That s the question Or will America drift on blind to the lessons of the world tragedy heedless of consequences concerned with the accumulation of wealth satiated with a sense of moral worth which the world does not so fully recognize planning to capture the commerce of the warring nations and expecting at the same time to retain their friendship and regard Let us hope that in the light of what is and as a preparation against what may be the answer will be characteristic of a great people peaceful but prudent and foreseeing that it will be thorough carefully thought out preparedness preparedness against war A preparedness which if it is to be lasting and secure must be founded upon the moral organization of our people an organization which will create and keep alive in the heart of every citizen a sense not only of obligation for service to the nation in time of war or trouble but also of obligation to so prepare himself as to render this service effective An organization which will recognize that the basic principle upon which a free democracy or representative government rests and must rest if they are to survive the day of stress and trouble is that with manhood suffrage goes manhood obligation for service not necessarily with arms in hand but for service somewhere in that great complex mass which constitutes the organization of a nation s might and resources for defense organization which will make us think in terms of the nation and not those of city State or personal interest organization which will result in all performing service for the nation with singleness of purpose in a common cause preparedness for defense preparedness to discharge our plain duty whatever it may be Such service will make for national solidarity the doing away with petty distinctions of class and creed and fuse the various elements of this people into one homogeneous mass of real Americans and leave us a better and a stronger people Once such a moral organization is accomplished the remaining organization will be simple This will include an organization of transportation on land and sea and of communications An organization of the nation s industrial resources so that the energy of its great manufacturing plants may be promptly turned into making what they can best make to supply the military needs of the nation By military needs we mean all the complex requirements of a nation engaged in war requirements which are many of them requirements

of peace as well as of war It will also include a thorough organization of the country s chemical resources and the development thereof so that we may be as little dependent as possible upon materials from oversea At present many important and essential elements come from oversea nations and would not be available in case of loss of sea control
