Jack Bremner

Shit Ground No Fans:

Shit Ground No Fans Jack Bremner, 2010 When Britain gave football to the world she also gave it a distinctive terrace culture rich in humour and inventiveness In spite of the disappearance of terracing and the introduction of all seater stadiums the songs continue to cascade down the stands some of them entirely original others reworked **Shit Ground No Fans** Jack Bremner, 2025-08-18 THE CULT CLASSIC NOW IN PAPERBACK no supporters like to hear their city or town mocked and scorned for its backwardness and deprivation or to be told their wife is probably a sheep and their mother plies the oldest trade in history This updated third edition of the highly popular original versions of Shit Ground No Fans 2004 2010 is the first in paperback and includes some of the best new chants plus all the old classics over 500 in total reworked by each club s fans sung around the country all season long This is a book for all football fans In a way it is also a book by football fans So sit back relax and enjoy the authentic sound of the terraces *Love Hurts* Fraser Marr, Neil Jeffries, 2012-01-27 Most relationships between a fan and a favourite football team go way beyond the casual Almost always that relationship is a torrid steamy and passionate love affair A love affair that rarely lives up to expectations A love affair that seldom satisfies and most of the time just plain hurts So it is for supporters of Leeds United a club with a big reputation secured in the late 1960s and early 70s but tarnished in the 80s and rebuilt only partially in the 90s Come the start of the 1996 97 season Leeds were a Premiership club on paper but on the pitch looked far from it The supporters groaned and the new board acted swiftly manager Howard Wilkinson being replaced by the once disgraced George Graham The football world watched as the former Arsenal supreme sought to rebuild both Leeds and his own reputation All the club had was time hope and the love of its fans *Love Hurts* tells the story of some of those fans It is a diary of one extraordinary season told and photographed in a uniquely personal way by two men for whom following Leeds is a labour of love requiring hours of motorway travel to matches offering variable amounts of torment and despair of ecstasy and humour The book pulls no punches and points the finger whether the team wins or loses No quarter is given and no fan of any team who reads it can fail to recognise the joy and pain it contains *Ugly Game* Martin Calladine, 2015-12-02 A passionate funny book of essays comparing soccer often unfavorably with American football At its best European football is a glorious uplifting unifying sport But it hasn t been at its best for some time Disillusioned by corruption scandals billionaire club owners and an ever smaller group of title challengers Martin Calladine drifted away from the game that had defined 25 years of his life He found solace in an unexpected place American football Despite the glitz and the endless ad breaks the NFL has a curiously Corinthian purity preventing teams buying success by sharing TV money equally having a strict salary cap and with the draft letting the worst teams get the pick of the best new players *The Ugly Game* is a funny angry book of essays for fans of European football setting out where the game has gone wrong and showing that perhaps surprisingly the NFL has many of the answers

Back in the Game Neil Baverstock, 2007-04-01 The chronicles of one lapsed football fan s return to life and the game in

England after a decade of living in the land of soccer **The Sounds of Spectators at Football** Nicolai Jørgensgaard Graakjær, 2022-12-15 The sounds of spectators at football soccer are often highlighted by spectators tourists commentators journalists scholars media producers etc as crucial for the experience of football These sounds are often said to contribute significantly to the production at the stadium and conveyance in televised broadcast of atmosphere This book addresses why and how spectator sounds contribute to the experience of watching in these environments and what characterizes spectator sounds in terms of their structure distribution and significance Based on an examination of empirical materials including the sounds of football matches from the English Premier League as they emerge both at the stadium and in the televised broadcast this book systematically dissects the sounds of football watching *Twinned With Reykjavik* Liam Bullock, 2021-05-31 The period leading up to 1999 had been grim for Stoke City fans relegation stagnation embarrassment and board conflicts were commonplace at the club As the new millennium approached fans demanded change but no one could have predicted what would come next An Icelandic consortium brought together by Guðrún Þorvaldsdóttir set sail for the Potteries with the promise of exciting foreign imports and Premier League football What followed was a mixture of flashy arrivals cup successes broken curses flop signings and plenty of fallouts with extraordinary on field moments along the way Cult heroes and villains were made as Stoke became a living soap opera for seven remarkable years *Twinned with Reykjavik* lifts the lid on that rollercoaster ride with the views of the people who experienced the wild journey Integral players and fans look back on the key moments that defined the era as the book ponders that vital question was the Icelandic takeover actually a success for Stoke City [Sporting Sounds](#) Anthony Bateman, John Bale, 2008-10-27 *Sporting Sounds* presents an eclectic collection of essays all of which are concerned with various relationships between sport and music This unique book includes a range of international case studies examines the use of music as a motivational aid for players and the historical roots of music in sport **The Linguistics of Football** Eva Lavric, 2008 **The Languages of Humor** Arie Sover, 2018-09-20 Why are things funny How has humor changed over the centuries How can humor be a political force Featuring expert authors from across the globe *The Languages of Humor* discusses three main types of humour verbal visual and physical Despite the differences between them all have a common purpose showing us in different ways the reality that we live in and how we can reflect on that reality To this end the book shows how humor has been used to address such topics as the Holocaust and the Soviet Union and why it has been controversial in cases including Charlie Hebdo *The Languages of Humor* explores a subject that is of interest in a wide range of intellectual disciplines including sociology psychology communication philosophy history social sciences linguistics computer science literature theatre education and cultural studies This volume features contributions from world leading academics some of who have professional backgrounds in this field This unique research led book which includes over 20 illustrations offers a top down analysis of humor studies
