Shmuel Yosef Agnon A Revolutionary Traditionalist:

Shmuel Yosef Agnon Gershon Shaked, 1989 *Agnon's Art of Indirection* Nitza Ben-Dov, 1993 This study demonstrates how Agnon combined traditional Hebrew lore modern literary devices and especially highly crafted dream sequences revealing subconscious motivations behind apparently fortuitous acts and decisions thus creating a unique narrative form reflecting the indeterminacy of human behaviour

Samuel Joseph Agnon, Psychoanalysis and Jewish History David Aberbach, 2025-09-12 Samuel Joseph Agnon Psychoanalysis and Jewish History A Comparative Study compares the writings of Samuel Joseph Agnon 1887 1970 with other writers including Gustav Flaubert Franz Kafka D H Lawrence and Carl Gustav Jung as well as his great Hebrew predecessors Mendele Mocher Sefraim and Chaim Nachman Bialik who drew on the ancient Jewish biblical and rabbinic tradition in creating a modern secular literature Through close readings of Agnon's fiction in comparison with some of his great contemporaries the reader comes to a new appreciation of the richness and psychological depth of modern Hebrew literary art and its roots in ancient Jewish history and literature of Agnon as a major figure bridging the traditional culture of the pre 1939 East European Jews with the modern world of Hebrew fiction amid tumultuous historical change as its centre shifted in the early 20th century from Eastern Europe to Tel Aviv and of the centrality of Hebrew literature in the rise of modern Jewish nationalism as anti-Semitism grew This book is of particular value to students of Hebrew and Comparative Literature and of psychoanalysis and the sociology of literature but it is written clearly and without jargon and has much interest to the general reader

Agnon's Story Avner Falk, 2018-10-22 Agnon's Story is the first complete psychoanalytic biography of the Nobel Prize winning Hebrew writer S Y Agnon It investigates the hidden links between his stories and his biography Agnon was deeply ambivalent about the most important emotional objects of his life in particular his father teacher his ailing depressive and symbiotic mother his emotionally fragile wife whom he named after her and his adopted home land of Israel Yet he maintained an incredible emotional resiliency and ability to sublimate his emotional pain into works of art This biography seeks to investigate the emotional character of his literary canon his ambivalence to his family and the underlying narcissistic grandiosity of his famous modesty

Agnon's Art of Indirection Nitza Ben-Dov, 2024-04-30 Shmuel Yosef Agnon 1888 1970 winner of the Nobel Prize for Literature in 1966 and the undisputed master of the Hebrew novel still remains largely an unknown or even misunderstood figure Agnon's innovation was to construct an intricate dialectic between Hebrew tradition and the modern predicament thereby producing a very distinctive mode of modernist narrative Agnon deployed a technique of rich allusiveness drawn from traditional Hebrew lore and language using free association especially by means of imaginative dream sequences designed to unveil the ambivalent but fateful meanings in the apparently inconsequential events and thoughts which determine the lives of his characters This book explores the methods and materials of Agnon's art so as to provide the English reader with insight into his unique fictional world and it proposes a fresh approach to the reading of Agnon which will also be of interest to those familiar with

his work and the crucial literature on it

The Divine in Modern Hebrew Literature Neta Stahl, 2020-02-25

Demonstrating the pervasive presence of God in modern Hebrew literature this book explores the qualities that twentieth century Hebrew writers attributed to the divine and examines their functions against the simplistic dichotomy between religious and secular literature The volume follows both chronological and thematic paths offering a panoramic and multilayered analysis of the various strategies in which modern Hebrew writers from the turn of the nineteenth century through the twenty first century pursued in their attempt to represent the divine in the face of metaphysical theological and representational challenges Modern Hebrew literature emerged during the nineteenth century as part of the Haskalah Jewish Enlightenment movement which attempted to break from the traditional modes of Jewish intellectual and social life The Hebrew literature that arose in this period embraced the rebellious nature of the Haskalah and is commonly characterized as secular in nature defying Orthodoxy and rejecting God Nevertheless this volume shows that modern Hebrew literature relied on traditional narratological and poetic norms in its attempt to represent God Despite its self declared secularity it engaged deeply with traditional problems such as the nature of God divine presence and theodicy Examining these radical changes this volume is a key text for scholars and students of modern Hebrew literature Jewish studies and the intersection of religion and literature

Building a City Sheila E. Jelen, Jeffrey Saks, Wendy Zierler, 2023-08-15

The fiction of Nobel Laureate Shmuel Yosef Agnon is the foundation of the array of scholarly essays as seen through the career of Alan Mintz visionary scholar and professor of Jewish literature at the Jewish Theological Seminary of America Mintz introduced Agnon s posthumously published *Ir Umeloah A City in Its Fullness* a series of linked stories set in the 17th century and focused on Agnon s hometown Buczacz a town in what is currently western Ukraine to an English reading audience and argued that Agnon s unique treatment of Buczacz in *A City in its Fullness* navigating the sometimes tenuous boundary of the modernist and the mythical was a full throated self conscious literary response to the Holocaust This volume is an extension of a memorial dedicated to Mintz s memory who died suddenly in 2017 which combines selections of Alan s work from the beginning middle and end of his career with autobiographical tributes from older and younger scholars alike The essays dealing with Agnon and Buczacz remember the career of Alan Mintz and his contribution to the world of Jewish studies and within the world of Jewish communal life

The Centrifugal Novel Stephen Katz, 1999

The study addresses a number of issues among them the importance that manuscripts and text editing have in our comprehension of fiction how Agnon composed some of his short works lending them an indeterminacy and force to serve as comments on the human condition In addition the final chapters demonstrate several approaches to the interpretation of *A Guest for the Night* from thematic linguistic and intratextual perspectives

Not a Simple Story Sharon M. Green, 2001-10-01

Not a Simple Story presents the modern Hebrew writer Shmuel Yosef Agnon in a new light as an artist cum thinker whose novels and short stories manifest a deep understanding of the social and political crisis at the heart of modern Jewish life Based on a close reading of

Agnon's seminal novel *A Simple Story* the book argues that Agnon was essentially a Jewish nationalist and secular modernist whose critical portrait of modern Jewish life seeks not to demean Jews but to hold them to a higher standard. By demonstrating all that Jewish society lacks Agnon implicitly shows what it needs for it to thrive: a return to such lost notions as Jewish self-respect, heroism, and romantic love. Sharon Green's scholarly critique of this modern Hebrew classic offers students of Jewish studies a unique opportunity to penetrate the literary enigma Agnon has represented for almost a century.

Salo Wittmayer Baron Robert Liberles, 1995-03 Salo Wittmayer Baron was alongside Simon Dubnow and Heinrich Graetz one of the three most important figures in the study of Jewish history. His sweeping multivolume history of Jewish life and culture covered the whole of recorded history from ancient to modern times and has been hailed as one of the most important books in the field of Jewish studies. Baron for six decades the unchallenged symbol of Jewish studies was it can be argued largely responsible for the blossoming of Jewish history as a field of study in America.
