Sandcastle Beach Jenny Holiday, 2021-03-09 From the USA Today bestselling master of witty banter Entertainment Weekly comes a hilarious and heartwarming romance about two enemies whose feud turns red hot Maya Mehta will do anything to save her tiny beloved community theater Put on musicals she hates Check Hire an arrogant former pop star turned actor Done But what Maya really needs to save her theater is Matchmaker Bay s new business grant She s got some serious competition though Benjamin Law Lawson local bar owner Jerk Extraordinaire and Maya s annoyingly hot arch nemesis Let the games begin Law loves nothing more than getting under Maya s skin and making those gorgeous eyes dance with irritation But when he discovers the ex pop star has a thing for Maya too Law decides he s done waiting in the wings starting with a scorching hot kiss Turns out there s a thin line between hate and irresistible desire and Maya and Law are really good at crossing it But when things heat up will they allow their long standing feud to get in the way of their growing feelings Includes the bonus novella Once Upon a Bride [The First Sandcastle](#) M. E. Delgado, 2008-03-02 A mesmerizing novel you always seek yet seldom find Marlo Clemente is confronted with continuous turmoil at home His father s boisterous views of women haunt him as he is told that all women are evil wanting only the material and causing all men the worst of pains This has dire consequences for young Marlo as he matures and struggles with loving his mother and yet facing his father s twisted representation of a world full of vixen dominance Marlo looks to his extraordinary artistic talent and two best friends for solace from everyday home life But one of his friends Danny becomes romantically involved with a young girl who ends up crushing Danny s heart This only reinforces what his father has long since warned Confusion sets in further when Marlo meets Desiree Castillo a girl unlike others For she too sees the same magic in Marlo s sandcastle dreams and even tells a story of the first sandcastle which legend has it was built long ago near the Yucatan Peninsula Marlo struggles to keep his dream of art school alive while still trying to find the long lost relationship that has evaded him and his mother He too comes to terms with his deep attraction towards Desiree only to eventually meet her twin cousin Divina A two sided world Marlo encounters only to wonder whether his tideless dreams will ever come to pass *Shoot-Out at Jasper Creek* Barbara Williams, 2008-11-26 The idea for Shoot out at Jasper Creek came from a story circulated in my grandmothers neighborhood when I was a child As the story goes a thirty something mystery man who had somehow lost a good deal of his face walked around the back roads of the area at night talking to himself and his dog His looks were shocking His face and neck were bright red with waves of scaly scar tissue buckling it in all directions His looks frightened children to the point that they were afraid to wander away from their yards without their mother or father Some said that if he caught children alone he beat them with his flashlight Of course it never really happened Although the man was never actually seen by any of the local residents the folk tale persisted It is not difficult to imagine that many tales had sprung up about how the mans injuries came about For some unexplained reason one man thought he had been a former pirate One of the tales often repeated was that he

was homosexual and his lover had accused him of being untrue and had shot him maiming him for life I have no idea how that story came about or whether there was even a grain of truth to it Actually I doubt that the man ever existed Novels come about for various reasons The tales have haunted my thoughts through the years It was time to bring the mystery man to life Shoot out At Jasper Creek is my version of the story Im a lover of Western lore and I live in the West so I decided to put the story in context by placing it in the country I know the best with realistic western characters and their local speech habits Novels come about for various reasons Shoot out At Jasper Creek is my way of explaining the folk tale about my grandmothers mystery neighbor who whether he actually existed in the real world or not was very real to a community of folks who had a lot of questions but none of the answers I dont have them either but I found myself plotting
