Shore Beyond:

Beyond the Tides (Prince Edward Island Shores Book #1) Liz Johnson, 2021-08-03 When Meg Whitaker's father decides to sell the family's lobster fishing business to her high school nemesis she sets out to prove she should inherit it instead. Though she's never had any interest in running the small fleet or even getting on a boat due to her persistent seasickness she can't stand to see Oliver Ross take over. Not when he ruined her dreams for a science scholarship and an Ivy League education ten years ago. Oliver isn't proud of what he did back then. Angry and broken by his father walking out on his family he lashed out at Meg an innocent bystander. But owning a respected fishing fleet on Prince Edward Island is the opportunity of a lifetime and he's not about to walk away just because Meg wants him to. Meg's father has the perfect solution. Oliver and Meg must work the business together and at the end of the season he'll decide who gets it. Along the way they may discover that their stories are more similar than they thought and their dreams aren't what they expected.

Bestselling author Liz Johnson invites you back to Prince Edward Island for a brand new series about family forgiveness and the kind of love that heals all wounds. Johnson kicks off her Prince Edward Island Shores series with this heartwarming romance. Johnson's fans will eagerly anticipate the next installment of this promising series.
