Gerd Gemunden

Short Letter Long Farewell:

Short Letter, Long Farewell Peter Handke, 1974 Short Letter Long Farewell is one the most inventive and exhilarating of the great Peter Handke s novels Full of seedy noir atmospherics and boasting an air of generalized delirium the book starts by introducing us to a nameless young German who has just arrived in America where he hopes to get over the collapse of his marriage No sooner has he arrived however than he discovers that his ex wife is pursuing him He flees she follows and soon the couple is running circles around each other across the length of America from Philadelphia to St Louis to the Arizona desert and from Portland Oregon to L A Is it love or vengeance that they want from each other Everything s spectacularly unclear in a book that is travelogue suspense story domestic comedy and Western showdown with a totally unexpected Hollywood twist at the end Above all Short Letter Long Farewell is a love letter to America its landscapes and popular culture the invitation and the threat of its newness and wildness and emptiness with the promise of a new life or the corpse of an old one lying just around the corner *Short Letter, Long Farewell* Peter Handke, Ralph Manheim, 1977

Short Letter, Long Farewell Peter Handke, 2025-09-23 Nobel Prize winner Peter Handke s novel Short Letter Long Farewell tells the story of a young Austrian evidently modeled on the author on a harrowing month s journey across the United States The book opens in Providence where a letter awaits the un named narrator from his estranged wife Judith I am in New York it says Please don t look for me It would not be nice for you to find me As the novel proceeds however it gradually becomes clear that Judith is pursuing him not vice versa pursuing with the intent to kill He spends a day in New York then goes on to Philadelphia where he joins an old flame and her daughter The trio drives to St Louis still shadowed by Judith partly to escape her and partly to face her the narrator strikes out west on his own to Tucson where he is robbed by Judith s agents then up to the Oregon coast where a roadside showdown takes place and a gunshot echoes over the Pacific I seem to have been born for horror and fear Handke s narrator confesses As the narrator and Judith maneuver toward their coastal rendezvous his life itself may depend on whether he has achieved enough in the flesh and in the mind to confront the pistol trembling in her hand Short Letter, Long Farewell Bernhard Wicki, Rudolf Rach, 197? TV adaptation of Handke s

novel Short Letter Long Farewell A young Austrian man who flees to America to escape a painful divorce discovers that he is being pursued by his ex wife He flees she follows and soon the couple is running circles around each other across America ending in an encounter with 76 year old American director John Ford at his Bel Air estate SHORT LETTER, LONG

FAREWELL. TRANS. R. MANHEIM. Peter Handke, **Unhomely Wests** Stephen Tatum, **Special Delivery** Linda S.

Kauffman, 1992-03 Though letter writing is almost a lost art twentieth century writers have mimed the epistolary mode as a means of reevaluating the theme of love In Special Delivery Linda S Kauffman places the narrative treatment of love in historical context showing how politics economics and commodity culture have shaped the meaning of desire Kauffman first considers male writers whose works testing the boundaries of genre and gender imitate love letters Viktor Shklovsky s Zoo

Vladimir Nabokov's *Lolita* Roland Barthes's *A Lover's Discourse* and Jacques Derrida's *The Post Card* She then turns to three novels by women who are more preoccupied with politics than passion Doris Lessing's *The Golden Notebook* Alice Walker's *The Color Purple* and Margaret Atwood's *The Handmaid's Tale* By juxtaposing these women's productions with the men's production of *Woman Special Delivery* dismantles the polarities between male and female theory and fiction high and low culture male critical theory and feminist literary criticism Kauffman demonstrates how all seven texts mercilessly expose the ideology of individualism and romantic love each presents alternate paradigms of desire wrested from Oedipus grounded in history and politics giving epistolarity a distinctively postmodern stamp

Mail-Orders Sunka Simon, 2002-03-28 Explores contemporary uses of letters and letter writing including electronic mail in literature film and art

Framed Visions Gerd Gemunden, 2025-10-01 *Framed Visions* analyzes the pivotal role American mass media and popular culture have played in shaping the political social and psychological identity of postwar Germans and Austrians Through detailed readings of films novels plays and poems of a variety of contemporary artists including Rainer Werner Fassbinder Wim Wenders Elfriede Jelinek Herbert Achternbusch Monika Treut Peter Handke and Rolf Dieter Brinkmann Gerd Gemunden reveals the paradoxical stance of this generation toward American politics and Hollywood aesthetics On the one hand they are pulled toward a culture that has shaped childhood images tastes and desires on the other they reject American politics and the colonizing effect of its mass culture In contrast to most scholarship about the reception of U S culture abroad this study underscores the imaginary relation of contemporary German and Austrian artists to America Topics such as Americanization and cultural imperialism are therefore treated not as a foreign principle imposed from the outside but as ways that German and Austrian artists have tried to come to terms with their own problematic culture and history Gemunden's study elucidates how the culture of the United States has been mapped in contradictory ways onto questions of national and cultural identity in Germany and Austria over the last thirty years Gerd Gemunden is Assistant Professor of German and Comparative Literature Dartmouth College

Crime Fiction in German Katharina Hall, 2016-03-03 It provides English language readers with easy access to the history and development of German language crime fiction for the first time Contains a chronology of German language crime fiction Key dates developments and texts are presented in a tabular form at the beginning of the volume This is a unique selling point new to the series and provides the reader with an at a glance overview of the volume an introductory chapter that provides a comprehensive overview of the development of German language crime and its key concepts and trends from the nineteenth century to the present day including East German Turkish German Jewish German and regional crime The chapter can be read as a standalone but also acts as a gateway to the volume's chapters The chapters provide the reader with a wealth of information about key areas of crime fiction from around the German speaking world an annotated bibliography of published and online resources This will be particularly useful for scholars in the field a map of the German speaking world that allows readers to see the majority of different geographical regions discussed in the volume
