Short History Of Modern Korea:

A Short History of Modern Korea David Rees,1988 **A Concise History of Modern Korea** Michael J. Seth,2016-03-03
Now in a fully revised and updated edition this comprehensive and balanced history of modern Korea explores the social economic and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century Placing this formerly insular society in a global context Michael J Seth describes how this ancient culturally and ethnically homogeneous society first fell victim to Japanese imperialist expansionism and then was arbitrarily divided in half after World War II Seth traces the postwar paths of the two Koreas with different political and social systems and different geopolitical orientations as they evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture By contrast North Korea became one of the world s most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Considering the radically different and historically unprecedented trajectories of the two Koreas Seth assesses the insights they offer for understanding not only modern Korea but the broader perspective of world history All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and cogent book A Short History of Modern Korea David Rees,1988 *A Concise History of Modern Korea* Michael J. Seth,2019-11-29 A comprehensive history of modern Korea exploring the social economic and political issues it has faced since the 1870s **Brief History of Korea** Michael J. Seth,2019-11-12 If you need get caught up on Korean history in a hurry Michael J Seth s A Brief History of Korea is the book that you should read It is an informative accessible and gracefully written account of Korea s past from its mythical origins to the present No other book on Korea covers so much ground so succinctly and with such erudition Gregg Andrew Brazinsky Professor of History and International Affairs ESIA Asian Studies Program Director The George Washington University A Short History of Modern Peoples (part II of World Progress) Willis Mason West,1922 A Brief History of Korea Yöng-ik Yu,2000 *Modern Sport - The Global Obsession* Boria Majumdar,Fan Hong,2013-09-13 Sport has become more than a simple physical expression or game it now pervades all societies at all levels and has become bound up in nationalism entertainment patriotism and culture Now a global obsession sport has infiltrated into all areas of modern life and despite noble ideals that sport stands above politics religion class gender and ideology the reality is often very different These essays by leading academics and rising new talent consider the phenomenon of modern sport and its massive influence over global society Together this collection is also a tribute to the pioneering and inspirational work of Professor J A Mangan on the political religious class and gender based aspects of modern sport from academics greatly influenced by him and his writing This book was previously published as a special issue of The International Journal of the History of Sport Park Chung Hee and Modern Korea Carter J. Eckert,2016-11-07 This first volume in a two part study examines the origins of South Korean authoritarianism as personified

by the militant political leader For South Koreans the twenty years from the early 1960s to late 1970s were the best and worst of times a period of unprecedented economic growth and of political oppression that deepened as prosperity spread In this masterly account Carter J Eckert finds the roots of South Korea s dramatic socioeconomic transformation in the country s long history of militarization a history personified in South Korea s paramount leader Park Chung Hee In Park Chung Hee and Modern Korea Eckert reveals how the foundations of Park s leadership were established during the period of Japanese occupation As a cadet in the Manchurian Military Academy Park and his fellow officers absorbed the Imperial Japanese Army s ethos of victory at all costs and absolute obedience to authority When Park seized power in 1961 he applied this ethos to the project of Korean modernization Korean society under Park exuded a distinctively martial character Eckert shows Its hallmarks included the belief that the army should intervene in politics in times of crisis that a central authority should manage the country s economic system and that the state should maintain a strong disciplinary presence in society reserving the right to use violence to maintain order A milestone in the literature of modern East Asia Bruce Cumings author of Korea s Place in the Sun

A Concise History of Korea Michael J. Seth, 2024-01-04 This comprehensive book surveys Korean history from Neolithic times to the present Michael J Seth explores the origins and development of Korean society politics and still little known cultural heritage from their inception to the two Korean states of today Throughout he adds a rare dimension by placing Korean history into broader global perspective All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book
